Takapuna Community Hub

Feedback must be received by **7 October 2024**.

We want to transform the Takapuna Library building into a multiuse community hub where library and community services will be combined. The aim is to create a place where the community can come together and enjoy a range of activities and services.

We want to know what you and your whānau would like to do at the new community hub and what types of spaces should be provided.

Your feedback will help us develop the design brief, the basis on which the community hub will be designed.

We will seek your feedback on the concept design early next year to make sure we have got it right.

We encourage you to read the accompanying information before answering any of the following questions.

Please give feedback online at akhaveyoursay.nz, or you can:
