

Waiapu Precinct and Paynes Lane

Feedback must be received by **5pm Sunday 10 March 2024**.

A transformation is planned for Waiapu Precinct and Paynes Lane in Onehunga, focusing on future-proofing the town centre by investing in infrastructure, facilitating new homes, creating new public spaces and improving walking connections.

Eke Panuku is Auckland Council's urban regeneration agency, and these changes are part of their wider urban regeneration plans for Onehunga, designed to attract more investment, support the growing population and local businesses, and help the town centre to flourish in a sustainable way.

In partnership with mana whenua and with the support of the Maungakiekie-Tamāki Local Board we're seeking your views on the proposed design for the public spaces - public plazas, green spaces, a family play space and safer walking connections. We encourage you to give feedback online at akhaveyoursay.nz, or you can:
