Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#7

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Pack dog walkers with more than 6 dogs struggled to be be adequately in control of all the dogs

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#8

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Even 6 dogs would be tricky to control, more than that would be impossible.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

I don't think blanket rules will work in all locations.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Limit problematic interactions between dogs (fights) and make it easier for more timid dogs to go to places like this knowing they won't be mobbed.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Only trained professionals should be doing the behaviour assessments. Otherwise it becomes biased and unfair.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Shakespear Regional Park,Wenderholm Regional Park

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This is absolutely devastating and so unnecessary. Council should be THROWING money at desexing all roamers they pick up to reduce the population and reduce the chances of an idiot owners getting a dog in the first place. Dogs are pack animals and gain an amazing amount of knowledge through packs. It's incredible enrichment and if done with a reputable company, is done so with training and structure.

Punishing experienced trainers by changing the law about how many dogs they can walk isn't going to fix any issues. Yes, regulate the industry - make all pack walkers do a multi dog course to ensure they are responsible while walking, but if you ever see my dogs group on his pack walks, they are INCREDIBLY well mannered to the point that people take photos of them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#31

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

It is intimidating for dogs on their own to be greeted by a large pack if they are walking head on to us. Having a maximum of 6, with only 3 allowed off the lead will help to stop the dogs charging other dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Solid rules and fines for not picking up after your dog should exist. The problem is getting much worse and it reflects poorly on dog owners...however most dog owners do the right thing

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

In Monacco dog droppings are DNA tested and owners of these dogs are fined. Along with microchipping, dogs should have their DNA submitted to a national database and owners fined; especially repeat offenders. It may seem like an overkill, but it would create a lot of jobs and clean up the parks.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Large groups of dogs running through the local bushes have destroyed the lovely bush tracks and they become impassable in the winter..

Commercial operators should pay to us council land to help with the up keep..

there is no way someone walking 10 dogs picks up all the dogs poo..

It is very intimidating coming across large groups of dogs with only one person in control ..

I am a dog owner.

The money they make should be able to pay for an annual license to be able to walk the bush tracks with the dogs they walk.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I don’t believe that professional dog walkers should be forced to restrict the amount of dogs they walk. If they prove to be in control of the dogs in their care, it’s not fair to limit their income/experience for the dogs too. An option could be to allow the dog walkers unlimited amount of dogs, and if they are found responsible could obtain a licence. If there are others dog walkers of concern (receiving complaints) then they would be the ones to be limited on how many dogs they can walk.

Another add on to this could be to limit the amount of dogs walked in high public areas (some beaches/reserves are used more then others) and allowing the dog walkers to walk unlimited dogs when less public around. Whether this be towards certain areas across Auckland or for certain times. (High public times)

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#53

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

My dog goes on pack walks twice a week with a qualified and experienced responsible dog trainer and it has totally changed his social skills and behaviour. It has been a game changer for him and me as his owner. Dogs are pack animals and actually can be quite challenging and reactive on leash by instinct when with owner and around other dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This is absolutely devastating and so unnecessary. Council should be THROWING money at desexing all roamers they pick up to reduce the population and reduce the chances of an idiot owners getting a dog in the first place. Punishing experienced trainers by changing the law about how many dogs they can walk isn't going to fix any issues. Yes, regulate the industry - make all pack walkers do a multi dog course to ensure they are responsible while walking, but if you ever see my dogs group on his pack walks, they are INCREDIBLY well mannered to the point that people take photos of them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#71

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

These number of dogs are normally being looked after by professional dog walkers and are not a problem as they have good control over them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#113

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I think the pack walking industry needs regulations for the people who are calling them selves pack walker with no qualifications. Any number of dogs can be an issue in the wrong hands. The pack walkers and owners doing things correctly shouldn't be punished.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

My pack walker has been a god send in training my dogs and also providing a service that means my dogs are walked while I got to work. She is qualified and does things correctly and in a safe way. Regulations should help get rid of the people doing things incorrectly.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

Other (please explain below)

Tell us why

instead of limiting pack size, we propose focusing on regulations for professional dog walkers. Currently, there's no legal distinction between trained and untrained walkers. Implementing a licensing program that requires experience, training, and certifications (including pet first aid), along with a yearly registration fee, would ensure public safety and separate responsible professionals like myself from those just looking for a quick profit.

We work with each dog individually and as part of the group, strategically selecting which dogs can go in each pack. We also advise when a dog is unsuitable, and recommend individual training. We educate the owners on training techniques and ensure they complete the same types of training at home. Education is absolutely vital to dog ownership, and well-trained dogs are absolutely vital for community safety.

By focusing on qualifications for pack walkers instead of a limit on size, we can improve dog behavior and public safety for everyone. By putting qualified experience handlers out of business Auckland will have an even BIGGER issues than it does now with roaming dogs (due to lack of exercise). More anti social dog behavior due to lack of socialization and training. What you will happen is the big huge dog walking companies will just hire more in handlers with no experience, so the can carry more at one pack. i.e 12 dogs 6 leashed.

Not to mention the issues that will arise with dogs playing at the beach, 3 being able to swim and play will 3 are Teather together waiting for their turn.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog enjoys a dog walk with a responsible walker and she has to run a business - it would be very hard for her to do so with massive restrictions on dog numbers. I think instead the key is making sure that dog walkers who want to do it as a business like this are properly vetted and understand pet first aid and accept it is their responsibility to only take as many as they know they can fully control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The responsibility should be on dog owners to be able to ensure their dogs are well looked after and under control -but don't stop dogs from enjoying our beaches at the right time of day etc.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#168

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We have a professional dog walker for our dog. The pack of dogs is well controlled and provides excellent socialisation for our dog. Reducing the number of dogs she is exposed to would be unhelpful for her temperament.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Changing the rule isn't dealing with the broader issue.

Professional dog walkers need proper certification. The proposed rules aren't going to deal with this.

Plus who's going to police it?

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Strongly disagree that ownership of a dog deemed dangerous is allowed at all.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Why is anyone allowed to own a dangerous/menacing dog? It is frightening and absolutely appalling that it is even a consideration.. If a dog has been deemed menacing it should be euthanased humanely. Any risk is too high.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Dogs deemed menacing should be assessed by dog behaviour experts.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

If they are licensed and cared for wherever they are. One to two in suburbs is enough . Rural working dogs , if cared for , they may require more. All pet dogs should be neutered or speyed . No exceptions. We have enough.

Clarify how dog access rules are set:

Support

Tell us why

Dog s need to have an area to socialise and run free, under control. Dogs who don't socialise when young can be a problem. I take my dogs to muriwai and love how we can do this. Some areas need restrictions

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

I don’t know

Tell us why

Don't know what the change is...Working dogs are working and would be controlled so should have access where required

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Please use common sense and ban menacing dogs ownership... Also a Pitbull or mastiff bite would rip, hold, mame and kill. I cannot understand why dangerous dogs are allowed . Often with menacing owners. Have unfortunately had experience of this.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This change will negatively affect professional dog walkers and the services which they currently provide us.

I think it would be better to bring in the following alternative

Licensing professionals to walk larger groups

Enforcing the rule ‘dogs must be under control’ which is already in place

Providing more education and support to the public about what owning a pet actually entails and how they can access training and services to support them

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#238

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

At the best of times, a dog-walker can only control so many dogs even if they are well-behaved. However, some are not - maybe they spend too much time at home and are stressed - and they can cause havoc within the whole group. When that happens, the walker may not be strong enough to hold the pack together, by which time all the dogs are excited and it doesn't take much to set them off.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Only to say that clarity is always good. Rules should be expressed in simple language, short sentences etc. Illustrations often help.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

This is a non-brainer. However, my greater concern relates to irresponsible owners who don't train their dogs, and those who treat them badly and/or use them as offensive weapons.

Banning such owners from having dogs may not stop them, any more than banning recidivist motorists from driving always works, but it would be evidence in the case of further infractions.,

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

As I read this proposal it is too broad and possibly also discriminatory. A licence would be required on one street and not on the next one over? All areas please and not just South Auckland, which we all know is what will happen.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

This is very necessary. There are exceptions to every rule, and well-paid lawyers to exploit them. The rules need to be clear and comprehensive.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

This is a very sensitive subject and rightly so. Any proposed rules should be developed in consultation with Maori.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

These changes cannot come soon enough. Most dog-owners and dog-walkers are responsible people, but not all of them are. They are the minority who make these rules necessary.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

Tell us why

Propose focusing on regulations for professional dog walkers. Currently, there's no legal distinction between trained and untrained walkers. Implementing a licensing program that requires experience, training, and certifications (including pet first aid), along with a yearly registration fee, would ensure public safety and separate responsible professionals like myself from those just looking for a quick profit.

This approach, supported by this recent news article [https://www.1news.co.nz/2024/05/06/regulations-for-pack-dog-walkers-could-reduce-attacks-expert/], would allow trained and certified professionals to continue walking pack sizes we're experienced with. We work with each dog individually and as part of the group, strategically selecting which dogs can go in each pack. We also advise when a dog is unsuitable, and recommend individual training. We educate the owners on training techniques and ensure they complete the same types of training at home. Education is absolutely vital to dog ownership, and well-trained dogs are absolutely vital for community safety.

By focusing on qualifications for pack walkers instead of a limit on size, we can improve dog behaviour and public safety for everyone.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

People living in a city shouldn't have too many dogs and shouldn't have a dog that they can't walk themselves. So these restrictions are obviously appropriate.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

It's not a matter for amateurs or people with dubious qualifications.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

It should also cover types of property, because houses with large gardens may be mixed in with apartments and townhouses. It isn't fair on dogs, owners, or neighbours to have blanket rules.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

I don't know because I don't know what customs and rules Māori had for their dogs in ancient times. This topic should perhaps be left for iwi to decide.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#284

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Realistically one person cannot control 6 dogs, and there are too many people claiming to be a dog walker and walking multiple dogs who have no respect or appreciation of other dogs walking on leash. We often have to move off the pavement to allow them to pass or give them plenty of space as it's just not possible to control so many dogs if anything were to happen.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#289

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash unless licence obtained

Tell us why

I actually don't agree with off leash dogs in public places. If there is a dog walker (single) dog I will often cross the road. You cannot tell in advance if a dog is going to lick or bite you. All dog owners say their dog wouldn't bite. I would say 50% of the dogs I meet off leash do not obey their owners trying to call them back

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

I strongly believe that there should be dog exercise areas set aside or specific beaches that are dog walking and exercise beaches. All other beaches should be dog free. This way compliance is far easier to manage. I lived in Perth for many years and this was how it was managed there. Having different times etc for dog access and on lead/off lead and in control are just an expensive compliance cost for council

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

It should be all areas of Auckland that require registration for multiple dogs - this makes it straight forward

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

There are too many off leash dog areas. I no longer go to any off leash dog beaches. I am fed up with entitled dog owners who say their dogs wont bite you , the dog poo not picked up, the dogs weeing all over the sand where children go to play. Takapuna beach used to be great now its just covered with dogs. My local beach Charcoal Bay has multiple dogs running around. Late last year one member of the public was badly bitten and had to go into the water to get the dog to let go. The owner of the dog gave a false name and phone number.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Fines should be increased for off-leash/on leash dogs in prohibited area, and not picking up poo. Non compliance is every where. Just this past weekend saw two dogs off leash in a DOC area! You cant tell them - only big fines might bring compliance.

Dog walkers should be registered and non compliance lead to loss of license.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Hunua Ranges Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

I agree dog areas are required and specific parks throughout the region should allow dog access - others should be completely dog free. If dogs are allowed then it should only be in a clearly defined area and it should be all year round. The prohibited areas should be set aside in a manner that reduces compliances issues for council. For instance the farm paddocks should be off limits all year to avoid compliance issues.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I support the proposed change

Mahurangi East

I support the proposed change

Mahurangi Scott Point

I support the proposed change

Tell us why

The main reason I support this is you have dedicated areas to be non dog and some pro dog. ie there can be no confusion about where dogs are allowed at all times and where they are not allowed. - I support this differentiation which allows families to go

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I believe off leash should be from the car park at the northern end of the Coast Road

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

I fully support the proposal

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
I fully support the proposed change. Dominantly the reason is that so much time, money and effort goes into protecting wildlife and rules around dog management should help support this effort. So often one wayward dog and create so much destruction

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I support the proposed change
Tell us why
I support this change as long as determining compliance for the prohibited areas is simple - ie there is no grey area

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Rosecamp Road Beach Reserve

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

It is often not safe to go to the beach when there are three plus dogs running around and definitely not in control

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs off leash cannot be controlled in respect of compliance. If there are menacing dogs on the beach there in option but to leave. Many families now go to this beach in the summer - it should be on leash.

I generally dont support off leash dogs in regional parks unless there are areas set aside as dog exercise areas within the park. In relation to any other aspects of my submission working dogs are exempt and separate rules should apply. A final comment is

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Leave as it is.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Leave as is. Spend time focussing on those who already break the rules. Not putting further restrictions on those who already follow the rules.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#301

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The current model is working and this proposed bylaw will cause harm to dogs and small businesses. An extremely small fraction of complaints to council are about multiple dogs/pack walkers. This bylaw is an overreaction to the very unfortunate behaviour of a few inexperienced and dangerous walkers who should not be in business. Don't punish other experienced, safe walkers because of a small minority.

I am an owner of two dogs who benefit immensely from a pack walker who walks 10 dogs at a time, with all dogs off leash IF those dogs have earned the privilege. Go out to Riverhead forest on any week day and you will see this replicated over and over. Safe, experienced walkers who have complete control of 10 or so dogs off lead. The dogs follow off lead, pull to the side of the track and wait for other packs, horses and bikes to pass, and enjoy their freedom because their pack walker is their leader. The number of dogs does not make a difference—if a pack walker is not an experienced leader for the dogs, limiting the number of dogs being walked will not help. It's the skill, not the number which makes a difference. Luckily, the huge majority of walkers in Auckland are safe and experienced, with total control over their dogs. They also use their judgement to make decisions about which dogs are off lead, which are walked together, and what privileges or limits the dogs require.

A huge problem in Auckland is the cruelty of dogs—working animals with huge exercise needs—spending their lives indoors. Underworked, underwalked, understimulated, these dogs become more of a nuisance for their owners and for society in general. Pack walkers help to solve this issue by ensuring many dogs get out on fulfilling adventures, saving their owners a job, and preventing dogs from having days without a walk.

The proposed bylaw will make using pack walkers too expensive for owners like me. We pay $180 a week for two dogs to go on two walks. Limiting the number of dogs our pack walker can take by %40 will HUGELY increase the prices, making this expense extortionate, all while Aucklanders are facing a cost of living crisis and small businesses are struggling to survive.

Please listen to the experienced walkers we trust to guide reasonable policy on this area — Cassie at Dog Squad, Toni at Urban Wolves, among many others. Do not let this bylaw pass.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There are some amazing dog pack walk services out there, it is in a dog's nature to be part of a pack - us as humans have taken that away from them. I do think there are some 'bad eggs' of pack walkers that ruin it for everyone else, but these people should be dealt with separately. It isn't fair to punish those who are doing it well! We have used Pet Adventures for years and they also helped train our dog to make her a well rounded animal that fits into our society. Please don't take her pack walks away from her, it would be devastating for us as a family and be detrimental to her behaviour.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This change would significantly impact the ability of responsible dog walking businesses to operate, and reduce the access to responsible dog walking services for people who need them. This would have the effect of increasing the number of bored dogs potentially trying to escape their properties. It does not address the real problem, which is roaming dogs, as unmanaged roaming dogs pose an actual threat to the public, rather than responsible dog walking. This new policy feels like an attack on dog walking businesses. I personally use a dog walker when my husband and I both work out of the home for the whole day, and if this proposal went through our dog walker would be forced to increase her prices so much to stay afloat that we wouldn't be able to continue to use her services.

I am strongly opposed. It would be better to require listening of dog walkers to ensure they are properly trained.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#333

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The current system is effective, and the proposed bylaw will harm both dogs and small businesses. Complaints about multiple dogs or pack walkers represent an extremely small fraction of council concerns. This bylaw overreacts to the actions of a few inexperienced and unsafe walkers who shouldn't be in the industry. Punishing experienced, responsible walkers for the behavior of a small minority is unjust.

As a dog owner, I've seen the tremendous benefits of pack walks. Our walker takes up to 10 dogs at a time, granting off-leash privileges only to dogs who've earned it. The key issue isn't the number of dogs but the walker's expertise. Limiting group sizes won't address unsafe practices—skill and experience are what truly matter.

Pack walkers play a crucial role in ensuring dogs get the exercise they need, when owners lack the time.

The proposed bylaw would make pack walking unaffordable for many owners by drastically increasing costs—all while Aucklanders are facing a cost-of-living crisis and small businesses are already struggling to stay afloat.

Instead of imposing blanket restrictions, consider alternatives such as licensing professional walkers to handle larger groups or enforcing the existing "dogs must be under control" rule.

Please don't let this bylaw pass.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#335

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There are so many dog walking businesses that would be out of business if this new rule comes in, I do not want to lose our dog walker

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I would like to take my dog with me when we visit the beach in the day time

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This bylaw is not evidence based and will harm dogs and owners and force small businesses to close. In an economic climate where businesses and Aucklanders are already struggling, why limit businesses, causing them to increase their prices, lose clients, and probably close down.

I have two dogs which are walked by an experienced pack walker who has total control over a pack of ten or more dogs. Because she is their leader and the dogs trust and respect her, they can all be off lead (if the walker believes they have earned the privilege, if not they stay off lead), and they will ignore people, dogs, horses and bikers. Our walker has good judgement and is constantly upskilling. She invests in ongoing mentoring from respected international trainers and is more than capable of walking a large group of dogs. Your bylaw will harm her business unnecessarily.

This bylaw seemingly targets walkers like the one in East Auckland who had two out of control dogs that killed another dog. This was a tragedy. However, the current restrictions already address this! The walker breached the current bylaw as her dogs were NOT under control. The number of dogs is not the issue. The issue in that case was CLEARLY the skill and judgement of the walker, and nothing being done by council BEFORE this incident even though she was well known to be a dangerous practitioner. Ban her! Of course! But do not punish others for her mistakes.

Dogs are suffering from being under exercised, and this bylaw will only exacerbate this. I will not be able to afford to send my dogs on walks if prices increase, and with a busy household, a baby and full time jobs, we will not have the time to walk them every day.

Please listen to the experienced trainers who have been petitioning council on this issue! Do not let the by law pass. It is a knee jerk reaction to a highly publicised tragedy, and it is not needed.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#359

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I consider the issue is not the number of dogs but it's the control of them that is most pertinent. A person can easily have one dog off leash but have no control of it at all. It's the control of the person who is walking the dog/s that matters more. Professional dog-walkers with expertise in dog-handling and awareness of dog behaviour, and their consideration of other people in the vicinity, is the key.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

I have read and re-read the proposed changes in our area (Kaipatiki) and they are still a bit vague. More to the point, focusing on changing the rules alone will make no difference to the substantial issues - dangerous and/or roaming dogs. inconsiderate owners, insufficient council staff to deal with dog-related complaints. Also, people who dislike or are afraid of dogs often don't know how to imteract safely with dogs e.g. waving arms/yelling and some public education is needed rather than just removing dogs from public places.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

It's not clear why dog access rules have to be changed at all(I can only comment on our area), and it appears to be a broad brush approach to make these changes across the region without evidence that the current rules are not working. Where is the proof that dog access need to be changed? Who/what organisation is driving these proposed changes?

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Make it really clear where owners can and can't walk their dogs and under what conditions. But the reality is, we'll just keep walking our dog where we want. As responsible owners, we keep him under control. Why doesn't the Council focus on compliance with the existing rules, and not make it more difficult for the owners who don't cause trouble.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

At least in our area, I think the changes are pandering to the dog-haters. If I look at the issues in our local parks, usually it's not dogs causing them. Dogs are part of the family, and also provide valuable support to people who depend on them for health/safety reasons. Those residents may want to spend some time in recreational areas but could be precluded from doing so if they can't take their dog. On our daily walks, I see discarded rubbish, cans, food containers, Occasionally dog owners don't pick up after their dogs (and that does annoy me, there's no excuse for that) but generally it's people who leave their rubbish behind and cause issues, including attracting vermin. (not helping is that most, if not all, of the bins have been removed by the Council, contributing to the rubbish issues). In summary, I consider that the Council should stop the administrative focus on changing the dog rules per se, just please get out on the streets/parks and deal with the issues of wandering/menacing/dangerous/neglected dogs. More resource should be put into that area. I see little point in changing rules if there's no compliance. When I read today of two elderly tourists being attacked in a park by three out-of-control dogs, but apparently no ability or willingness on the Council's part to trace the dogs and their owners, and to take effective action to prevent such a recurrence, I find it ridiculous that responsible owners are instead being hamstrung by these proposed changes as to where they can walk their well-behaved dogs.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This bylaw overreacts to actions of a few inexperienced and unsafe walkers who should not be in the industry. This would unfairly punish experienced and responsible walkers who are small business owners who take care of dogs. A blanket restriction would drastically increase costs, reducing a needed services to keep dogs well cared for. Alternatives such as licensing walkers or enforcing dogs under control rule would be more effective.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Waitakere Ranges

What local board area is this location in?

Waitākere Ranges

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

Allow dogs, on leash, on all trails through the waitakeres.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

To allow dogs to join their humans in the wonderful waitakeres. We always follow the rules and CONSTANTLY see people walking their dogs, off leash, throughout tracks that have a dog ban. Just allow dogs, the good people will follow the rules and the bad p

They are often not clear. The depths of your website says one thing. A sign at the site says another thing. AC so are so disappointingly restrictive to dogs. Humans just want to take their doggos on more

Walks.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#381

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Use your brain Council, there are amazing PROFESSIONAL dog walkers that are also trainers and have perfect control of their dogs. Why would you leave them without a job? Pack dog walking is a perfect industry all over the world but here you want to ban it?

I suggest 2 alternatives:

-up to 10 dogs with one walker, all of the lead.

-provided that the walker can present credentials, past a test and gets a business license.

If you want to regulate it, DO IT PROPERLY!!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

IF you want to ban dogs from them, then I OPPOSE.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park,Muriwai Regional Park,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Why do you keep restricting dogs from everywhere?

Long Bay is a HUGE beach, and we already need to keep our dogs on the lead during summer.

LEAVE US ALONE!

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It's perfect as it is!

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

NO WAY! Forestry beach is one of the ONLY beaches in Auckland that is big, beautiful and accept dogs. I drive an hour and a half to take my dog there, is our happy place. ABSOLUTELY NOT!!!!

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

DO NOT RESTRICT ACCESS TO FORESTRY BEACH!!!!!! IT'S OUR PARADISE!!!

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think all pack walkers should be qualified and registered. If so, the number of dogs shouldn't matter as they are experienced to do it. The problem is all the pack walkers that they haven't got any type of training and just do it to profit themselves. Another problem I see for those trained pack walkers is that if the number of dogs they take are reduced, it will be hard for them to make a living and they would to put their prices up making hard on the families that like their dogs being taken out while they are at work. So make it compulsory for anyone interested on taking dog walking as their career path to do training and pay an annual fee

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#425

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It is unfair to other dogs which are on leash while another 3 free ones are enjoying their walk. It is against dogs' nature and I think this rule is very unpractical.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Soldiers Bay

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to increased presence of wildlife (e.g. ground nesting birds). Please specify:Soldiers Bay beachfront

What is the main reason you want to change the current dog access rule?

There are nesting sea birds at Soldiers Bay. I would like this area to be restricted from dog access. It is the part that is along the more tidal estuary.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#516

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

I think it's a great idea to ensure professionals are handling this number of dogs. If they had a lisence to prove they are trained experts I don't see why we would lower the number of dogs they take

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park,Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

It doesn’t change much and still allows an off lead area for dogs

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I don’t know

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#546

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The dog walkers provide a valuable service. Reducing the number of dogs will make this unaffordable for most

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#550

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Too many dogs creaate a pack mentality and can physically pull the walker over. Many dogs get away in the bush near us and walker can't find them due to the other dogs there

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

All dogs should be neutered to reduce the amount of unwanted puppies and shocking animal.abuse in our country. Legalized breeders only should have entire dogs.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

But equally you MUST be able to follow up and remove dogs easier that are chained maltreatment or abused. Dog removal laws must be loosened to keep the animal at front of mind. Our animal welfare is dismal at best.

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

No

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs should be licensed to be off lead, owners have zero control on a majority of dogs off lead. True off lead dogs should be rewarded with freedom to run around, and owners who have not put in the effort to appropriately train their dogs recall shouldn't have the same privilege. So many dog bites are caused by dogs off lead that the owners haven't trained correctly.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Trained professionals should be able to walk more than the above mentioned dogs. Put in regulations for professionals dog walkers and regulate them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#572

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

For the general public 6 is more then enough and 3 offleash to keep under control too. However I would expect there to be a dogwalker exemption, those that can prove they are.proficient in controlling packs that can walk more then 6 or take more then 3 of leash.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

How can I comment not knowing what it is you are actually.proposing? Current rules are not necessarily unclear

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

1)All dogs should be neutered.as a default. And if yiu don't want that because you are a breeder you need an exception permit.

2) "menacing" must be redefined

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Get a panel of dog behavioral experts

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Why should there be a difference based on area? Isn't the point more about the type of housing and space available.

If you pick 'area" there is a big chance it vecome.very judgmental and controlled by a minority who have the loudest voices

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Rules for dogs in private ways? How far are you going to go setting rules?

I'm not sure if this is needed

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Why is there 1 area specifically pulled out to set rules for - would they be different to any other regional park, heritage area etc?

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

While I understand the need to address safety and the welfare of animals, I believe this bylaw will harm experienced, responsible dog walkers and small businesses without effectively addressing the underlying issue.

The vast majority of dog walkers are professional, experienced, and prioritize the safety and well-being of the animals in their care. Complaints to the council about multiple dogs or pack walkers are extremely rare, and this proposed bylaw seems to be an overreaction to the actions of a small minority of inexperienced or irresponsible walkers. Rather than penalizing the responsible majority, the focus should be on ensuring that individuals who are unqualified or unsafe are not allowed to operate in the first place.

Punishing experienced and safe walkers through additional restrictions will not resolve the issue caused by a few bad actors, and it risks harming small businesses that are vital to the local economy. I urge you to reconsider this bylaw and explore more targeted solutions, such as stricter licensing or certification requirements for dog walkers, to ensure that only qualified professionals are in this field.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#705

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dog walkers need to be certified. you could be walking 1 or 2 of your family dogs and not under control. generally professional dog walkers have their dogs under control. Make it like a day care - you need a certification to walk more than 6 dogs at a time for example. MANY dog owners of one dog are irresponsible!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

far too many irresponsible people / owners. Get a dog because it's cute, unneutered, then puppies and multiple dogs.

Clarify how dog access rules are set:

Do not support

Tell us why

confining such minimal areas will just cause larger problems. it is not the dogs, it's the owners. confining dog off leash areas are too small. My dog personally is better with more space to move away from other dogs. options on areas means not such confinement which would result in bigger issue - dog fights, human fights, areas ruined.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

you've made it too complicated to review some of these questions and find the correlating clauses. on purpose?!?

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Public reserves.

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Make owners more accountable. MUST have them neutered - particularly menacing dogs and where unfenced properties. Very little reason for dogs to continue to breed so offer more free fixing appointments. Do not return some dogs. As the owner of a rescue dog myself, I don't think we can save them all, many should be put to sleep.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash unless licence obtained

Tell us why

I oppose a blanket restriction on the number of dogs that can be walked. However, I agree that some regulation is needed to ensure public safety. I believe that professional dog walkers should be permitted, subject to approval, to manage multiple dogs (both on-leash and off-leash) - provided that they have demonstrated an ability to do that safely.

My partner and I own a dog. We are responsible owners: our dog is de-sexed, registered, and we have put her through dog training. We both work full-time, so pay a reputable dog walking company to take our dog for a five-hour walk two times a week. Those walks represent the bulk of her exercise during the week. While we take her out on all other days, we are unable to provide that amount of time during week, nor is it in the company of other dogs. Our dog's outings with the professional dog walker are essential to her health and well-being.

I am concerned that a blanket restriction on the number of dogs that can be walked will render dog walking companies' business model uneconomical; either the companies will need to cease their business, or they will increase the prices to a level that is prohibitive to regular dog owners.

I acknowledge that there have been recent issues with relatively untrained or unfit walkers placing dogs under their charge into situations that pose a risk to the public. That is not the case with the company we have engaged. Before our dog was accepted into the pack walks, we underwent and in-person interview, and our dog had to complete an induction training weekend. In the three years our dog has been walked by this company, we have not had any issues. I believe that some regulation would be of benefit to allow such companies the ability to walk packs of dog (both on leash and, in the right environment, off-leash). That would strike an appropriate balance between public safety concerns and the need for reputable companies to continue to operate.

A blanket restriction on the number of dogs walked at any one time would be a blunt instrument that is likely to cause more harm. In our situation, if we were no longer able to access a professional dog walking service, it is likely that our dog would spend more time at home, have less overall exercise, and not enjoy the regular company of other dogs. That would likely impact her well-being. And, while she is a well-trained dog, I harbour greater concerns for less well-adjusted dogs suffering to a greater extent if their owners were not allowing them exercise or socialization. That would likely present as a longer-term risk to the public if such dogs were not being cared for, as they would present a danger when they are in public spaces.

I understand from some commentary that there is a concern that the Council is currently unable to police a restriction on commercial activity on Council property. I found this to be an unusual justification for imposing a blanket ban - given that there are many such commercial activities that are carried out in public places (e.g., personal training sessions). As dog walking is an activity that is almost exclusively conducted outdoors and will inevitably involve access to Council or other public property, I cannot see how this point can be deployed to limit the number of dogs that may be handled by a professional dog walker at any one time.

That matter aside, I can conclude this submission on a personal note: my partner and I are not going to have children. Our dog to be part of our family, and we had planned to get a new puppy later this year. A change to the rules will impact that decision. If a blanket ban is imposed and we are no longer able to use the services of our professional dog walking company, it is unlikely that we will be able to get another dog. I doubt that is a consequence the Council intends by this proposal, but it will be a likely impact of a blanket restriction.

It is for those reasons I oppose a blanket restriction on the number of dogs that can be walked, but I acknowledge that some regulation is needed to ensure public safety. I believe that an approval process that allows reputable companies to continue with pack walks strikes the right balance between the competing concerns.

Thank you for taking time to read this submission.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#791

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think Pack walkers should have no limit as such if they obtain a license after specified training

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Milford Beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:South End

What is the main reason you want to change the current dog access rule?

To allow an area for dogs especially in summer when it gets really hot - to have access to the sea to be able to play and cool off on a section of the beach

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Explanation above

Do not support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

It was not outdated or duplicate. Instead, the explanation of exempt about disability assist dog is very important and help us to avoid trouble when others told us they do not allow "any dog". It is very important to educate both residents and officers that disability assist dog is exempt from leash law and prohibited area. The difference between working dog(herding dog) and disability assist dog need to be clearly defined and written in policy and bylaw.

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

We need to educate the public that disability assist dog have the right to access any public space and actively participate in our society. Clear welcome signage need to be placed to avoid discrimination against assist dogs.

3. Dog access rules at Regional Parks

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We have an excellent dog walker who has assess dogs before she takes them on. She has them on leads for a long time ie for recall to be 100% before she even attempts to let them off.

Even when off lead they are under control at all times. She has faced other walkers with numerous dogs some up to 20 with no control, no assessments ie off lead first time and a no care attitude. Dog walkers should be registered and pass a test wherein they are deemed appropriate to have a number of dogs per walk at a time. Cutting the numbers to 6 will affect our walker enormously. She at most has 12 and at all times are fully under her control.

I forgot to add all dogs should be registered and if they're not they are taken off the owners until they are so registered and pass a responsible dog owners test.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#865

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

I think all areas of Auckland should have the same restrictions in order for this rule to be equitable.

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Shakespear Regional Park,Waitawa Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I think they are too restrictive and dogs should be allowed on lead in most areas

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Too restrictive

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?

Tell us why

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Too restrictive still

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?

Tell us why

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?
I do not support the proposed change

Tell us why

Too restrictive, too many rules

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Too restrictive and too complicated

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Auckland Council has not articulated an issue that this is attempting to solve. The majority of dog related complaints is reported to be unrelated to multiple dogs and lack of their control, so it is unclear what problem this solves.

In addition, a change to this rule will have a material impact on the cost of dog ownership as it will force dog walkers to increase "per dog" fees. One probable impact will be an increase the number of dogs left uncared for during the working day (due to cost of care) and thus an increase in noise complaints and roaming (escaped) solo dogs. In this proposal, Auckland Council has not indicated additional funding for animal control and noise control to manage this.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

On-leash and off-leash should be managed on a case basis. If the walker had a well-trained group of dogs, there is no reason to have such an unreasonable number.

To whom this may conceren:

I have completed the feedback form regarding the proposed bylaw amendment to change the maximum number of dogs that can be walked by a dog walker. However, I found that your questionnaire and feedback form were quite limited in scope and did not allow for a comprehensive expression of my views.

Below, I have provided more detailed feedback for your consideration:

Negative impact on dogs, families, and communities

Long term behavioral problems for dogs

Dogs that do not receive adequate exercise or socialization are at risk of developing destructive behaviors, including excessive barking, aggression, and separation anxiety. Limited social exposure can also increase fearfulness and reactivity, making these dogs more challenging to manage in public settings. A reduction in available spots for dog walking services would exacerbate these issues, as fewer opportunities for exercise and interaction could negatively affect dogs' behavior and overall well-being.

Stressed families

Dogs play a vital role in supporting mental health across all age groups. Imposing further restrictions on dog ownership could have long-term negative impacts on families and children. Research highlighted in the Harvard Gazette (2024) and a study published in PLOS One (2021) indicates that families with dogs are less likely to experience depression. Furthermore, families with busy schedules or physical limitations (disabilities) may struggle to meet their dogs' exercise needs, leading to stress and guilt. From my own experience, as someone balancing a family of four while running my own business, my dog walkers are a savior to my mental health.

Cost for the taxpayer

Introducing a law to limit the number of dogs walked at one time could impose significant costs on taxpayers. Enforcing such regulations would require additional resources, including increased staffing for monitoring and animal control, as well as administrative expenses for licensing and compliance checks. These costs could strain local budgets, diverting funds from other essential community services.

Ripple effects on the industry

Fewer professional walkers:

Stricter limits may discourage people from entering or staying in the dog walking industry, reducing available services and increasing costs for families. As a result, dog-related incidents may rise due to fewer dogs being socialized with others.

Uneven standards:

Without a focus on proper training, arbitrary limits fail to ensure safety or control, leading to inconsistent outcomes for dogs and their owners.

The solution: Training over dog number limitations

Rather than capping the number of dogs a walker can manage, the focus should be on mandatory training and certification for dog walkers. As a taxpayer, I would prefer my money to go toward sustainable solutions rather than enforcing a poorly designed law that fails to address the underlying issues.

Why training works

1. Incidents can occur regardless of group size; training ensures walkers can handle varying dogs safely.
2. Skilled walkers are better equipped to manage group dynamics, reducing risks.
3. Fairness for professionals: Experienced walkers can effectively manage larger groups, while limits may be necessary for inexperienced individuals.
4. Consistency and trust: Certification establishes industry-wide standards, boosting public confidence in dog walking services.

Proposed solutions

- Mandatory certification: Require training on dog behavior, group management, and emergency protocols.
- Tiered limits: Allow certified walkers to handle more dogs, while non-certified walkers face stricter limits. This approach also helps dog owners make more informed choices when selecting walkers.
- Ongoing education: Provide refresher courses to maintain high standards.

This approach enhances safety, supports professionalism, and ensures flexibility for skilled handlers, benefiting walkers, dog owners, and the community. Furthermore, the council could generate revenue by offering certification programs, creating a win-win solution for all stakeholders.

Therefore, I am writing in strong opposition to the current proposed change to the bylaws in respect to walking multiple dogs at once. My dog is currently walked by a professional pack walking company who perform their duties with the utmost professionalism and care ensuring all dogs are well looked after and return happy. The company that I use ensures that all dogs are under control when on or off leash and all current council bylaws are followed. I have used them for more than 10 years, and never had any issues.

I believe it is important to have a more inclusive consultation process that allows participants to elaborate on their perspectives and provide nuanced feedback. In its current form, the feedback form may not fully capture the community's concerns or the broader implications of this proposed change.

Thank you for taking the time to review my comments. I trust that this additional feedback will be given due consideration during your decision-making process.

- Ongoing education: Provide refresher courses to maintain high standards.

This approach enhances safety, supports professionalism, and ensures flexibility for skilled handlers, benefiting walkers, dog owners, and the community. Furthermore, the council could generate revenue by offering certification programs, creating a win-win solution for all stakeholders.

While this is a consultation process, it is disappointing to see signs that Auckland Council may not be genuinely considering feedback, as has unfortunately happened in the past. I sincerely hope this time the process will be truly democratic and not just another superficial exercise, as has often been the case before.

While this is a consultation process, it is disappointing to see signs that Auckland Council may not be genuinely considering feedback, as has unfortunately happened in the past. I sincerely hope this time the process will be truly democratic and not just another superficial exercise, as has often been the case before with Auckland Council.

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#939

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I think it needs to be very careful as to what is classed as "menacing". Some dogs have been incorrectly punished overseas in similar situations and I believe that you can't always apply a blanket rule to a breed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dogs should be on leash and under control at all times. Introducing rules for number of dogs on and off leash. Dog owners that currently do not have their dogs on leash or under their control wont change their behaviour with the proposed rule changes. This will penalise responsible owners who are already doing the right thing

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I am writing in opposition to the current proposed change to the bylaws in respect to walking multiple dogs at once. My dog is currently walked by a professional pack walking company who perform their duties with the utmost professionalism and care ensuring all dogs are well looked after and return happy. The company that I use ensures that all dogs are under control when on or off lead and all current council bylaws are followed.

I am benefitted by using the service of my pack walking company:

* ensuring my dog is well socialized

* developing good off lead habits

* burning off energy and not damaging my property

If my pack walking company had to make significant changes as a result of this proposed changes to the bylaw, this would affect me:

* potentially higher cost

* might have to cancel the pack walks leading to less socialization and a more risky dog when off lead with me

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#981

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

The current situation with unqualified and often inexperienced dog walkers dominating public parks during the day is wholly unacceptable to the rest of the public. There absolutely should be a limit and 6 is appropriate (we have direct and relevant experience of this industry). And the number off lease should be restricted.. the number of accidents is unacceptable and this needs to come to an end.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1083

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The 'dog number' rules are simplistic, not factoring in things such as handler experience, dog training level, dog size, etc. I think it makes more sense to just follow the no limit/dogs must be under control at all times approach - and to allow complaints and/or ad-hoc council monitoring to identify poor performing dog walking individuals and businesses.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1087

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

In my experience, it is usually not the dog walkers with multiple dogs that are a problem but irresponsible dog owners with smaller dogs in public spaces with off lead dog. As such, I do not support the change as it will negatively and unfairly impact dog walkers and their business that I consider to be more equipped and trained to handle multiple dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Additional clarity is always welcome, as long as it is not disporportionally high in effort for the benefits.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Supportive, though would want to see clear actions that council will take to monitor that this is followed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don't know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

In my experience, it is usually not the dog walkers with multiple dogs that are a problem but irresponsible dog owners with smaller dogs in public spaces with off lead dog. As such, I do not support the change as it will negatively and unfairly impact dog walkers and their business that I consider to be more equipped and trained to handle multiple dogs. I do however support clarification and/or additional restrictions for dogs to be on leads in public places (e.g. public parks and walkways) where they may pose a risk to others.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This proposal is tackling the wrong issue. Qualified and experienced pack walkers know how to manage a pack - that is the whole point about pack walks. Issues come up with pack walkers who are not qualified or experienced. At the moment, anyone can start a dog walking business. This is where the focus should be - if you want to run a dog/pack walking business then you should have to have a licence to do so.

By restricting the size of packs so significantly, it will make this type of business untenable and therefore this valuable experience for dogs and option for dog owners to keep their dogs exercised, stuimulated and happy will disappear. And of course it will affect the livelihood of many experienced and qualified pack walkers.

Issues with dogs and dog behaviour stem from many issues, restricting one area that actually encourages good dog behaviour is a step in completely the wrong direction. Dogs that cannot socialise and do not have outlets that use energy and stimulate them become problem dogs. The focus should be on ensuring that irresponsible dog owners and dog businesses are brought into line - not putting these massive restrictions on owners and businesses who do an amazing job with their dogs every day.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Locensed accredited dog walkers should not be limited if they are deemed competent. A competent dog walker with multiple dogs is far safer than an owner that cannot control 1 dog.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

For built up areas, I'd probably say 6, but I think this is down to good and bad ownership and once again good dog owners are being penalised for the bad dog owners out there.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Because I want to have an opportunity to give feedback as I think again bad dog owners make it difficult for good dog owners and it's the bad dog owners that need to be targeted.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1271

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

There needs to be stricter penalties for dogs that menace or attack both people or other dogs, including faster pathway for destruction of the dog and harsher fines and penalties for the owner (and not requiring multiple offences to trigger harsh penalties). Dangerous breeds should be banned.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional dog walkers are not the problem because they are trained to handle dogs and people who pay dog walkers usually have well socialised and trained dogs. I would hate for these companies to suffer and these dogs be forced to stay at home all day due to cost increases due to reduced numbers of dogs to be walked at once.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

People who are walking multiple digs are either professional dog walkers or breeders or some form of 'gog lovers' - they are generally responsible people and not a problem. limiting numbers will make affordability of dog walking harder for owners to afford to the detriments of dogs themselves. if you think there is a problem with irresponsible walkers - perhaps a solution is to require multiple dog walkers to be certified and registered and required to carry ID so that they are 1) trained and 2) public can make complaints to the registering body if they see any public offense.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

At this point in time, my dog attends a pack walk with an experienced walker that she's been going on for at least 4 years. She is well integrated into the 'pack' and in fact I can tell when my dog meets another 'pack' dog on our other walks.

While I appreciate the sentiment, there is a vast difference in people who walk dogs with care and consideration in a pack as opposed to people who walk a dog without social skills, training or recall. It can take only seconds for this to go wrong no matter the number of dogs.

In fact, most often my dog has been charged at by smaller dogs who are off leash and aggressive when my dog has been off-leash and just cruises by.

Regards dog walkers, I wonder if there is an exception that is similar to the responsible dog owner, where they are eligible based on proving competency or paying for a licence etc.

As it happens, I'm mindful that if my current dog walker is restricted and needs to put up her fees to cover a lack of income, I may not be able to afford the service. My dog would then miss out on the social skills, as well as the activity that the dog walker provides (which is more high octane than I can provide).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

If this is based on BSL rather than documented acts of aggression this is a slightly different prospect.

If BSL only, this should mitigate things like needing to wear a muzzle in public (*unless there is a history).

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

With clear structure and reporting, as well as the option to get a second opinion. There should also be independence from Council.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1380

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

It depends on the number of people walking. The dog. For one person, managing 4 dogs is a LOT. So for one person maximum is 4 dogs, all on leash

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Dog expert only who are trained with qualifications and experience

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Need more dog friendly holiday park not just on camp site but also on cabins etc

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1383

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Because limiting the number is a stupid idea as it will prevent professional dog walkers from being able to walk packs. As it's unlikely that any general member of the public will ever walk more than say 2-3 multiple dogs, this rule change is completely unnecessary.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1395

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We have two ladies who separately walk our dog. Both ladies have vet nurse qualifications along with a huge amount of experience in dog obedience and understand dogs well. If you have three dogs on leash and three dogs off leash within a pack they you are instantly creating a problem as opposed to all dogs being off leash and being controlled well. The dog walker knows what dogs are obedient and what dogs need more training and react accordingly. Stopping access to local areas where its great for dogs to experience off leash walks is ridiculous, you should have spoken to people involved with dogs and not consulted with engineers who have no idea whatsoever on what they recommend and why.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The walkers need to be registered and managed by Auckland Council. My daughter's dog walker is excellent from meeting a dog to having them on her walks. They are completely under her control however she experiences on numerous occasions other walkers who are only in it for the money and don't take any care with what breed they have, whether it's assessed before going on a walk, being on a lead for a period of time with an intent to having time of lead. Also some walkers walks their dogs in the heat of day, nowhere near water with tarseal that is hot enough to burn their feet on. There needs to be a managed process in place so it works for all. You can use a blanket rule approach that's totally unfair to those responsible dog walkers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Shakespeare

What local board area is this location in?

Franklin

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Would love to camp here and explore it but I can’t because I have a dog ?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I disagree that there should be a restriction on professional dog walkers. My walker is professional and trained at handling dogs. I do not believe that the bylaw should affect pack my dog has gone with for 5 years 2-3 times a week. This will negatively affect her business and mine and other dogs. She provides a positive and peaceful walking environment.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

If walkers are trained and qualified why can't they get on with their careers. Perhaps they could sign write their cars and wear a badge or tshirt to show they have qualifications to handle larger dog packs. I do not think the limited experience and responsibility of some should affect the wider industry.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

This can limit dogs that 'may' become aggressive in a pack environment.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

There are a lot of people that do not care for their pets properly and provide to their needs. I believe an assessment should be provided for properties with multiple dogs.

Clarify how dog access rules are set:

Support

Tell us why

Those with qualifications and handling experience provide a strong industry and community for our pets. Screening and registering handlers as well would control who can and who can not handle packs of dogs. An inexperienced handler would most likely have as much trouble with two dogs as 6 and 10.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

There are rules in place. I do however think there should be more access areas for dogs and groups.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I absolutely disagree with the proposed bylaw to reduce dog walking numbers to professional walkers. This is a vast industry that supports many of our beloved pets. By

reducing numbers this will push up the price meaning most people will not be able to afford the service. Our walkers will be unable to survive on reduced numbers. I don't believe a couple of unprofessional and tardy individuals should cause the industry at large to be ruined. I most certainly would not want my walker to lose her business.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1561

I do not support the proposed change
Tell us why
Dogs are family members to us, just like our children. So why are there so many regulations for them?

Auckland's economy is worsening, and unemployment rates are rising. People are struggling to afford basic necessities, yet there’s still time to focus on regulating dogs? It seems completely unnecessary and out of touch with more pressing issues.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1590

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

Some business's need to walk more than 6 dogs at a time to be viable I think. Good dog walkers can manage them well. 8 dogs seems like a reasonable number as long as its in the right place and with a good , experienced walker.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional dog walkers provide a valuable service to dog owners, ensuring dogs receive the exercise, proper structured socialisation, and care they need.

If professional dog walkers are unable to operate as they currently do, there will likely be an increase in barking complaints and roaming dogs.

Overwhelmed shelters could also see more dogs as busy owners, unable to hire dog walkers, may struggle to provide appropriate care for their pets.

Professional dog walkers also play a key role in training dogs and educating owners by sharing their knowledge and skills. If they can't operate as they currently do, it will become more difficult to find dog trainers, inevitably leading to a rise in the cost of services. With dog attack and aggression complaints rising by 20% in 2023-24, the need for experienced and skilled dog trainers in Auckland is greater than ever.

Current practices by professional walkers already include leash training, recall training, and improving dogs' overall manners—all while providing safe group exercise.

It will take resources away from other areas and be another rule that will not be effectively enforced (dog control resources are already stretched).

This change will primarily impact those who are already following the current bylaw, while those who currently do not comply are unlikely to adhere to the new rules.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

We are already restricted to any decent beaches where we can take dogs and children at the same time. We should be looking at Europe to USA States to see how there dog laws work.

Clarify rule that all dogs classified as menacing must be to neuter:

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

who is determining what is outdated - that sounds like fancy words for a rule change by stealth

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

over the last 30 years of having dogs in Auckland I have only ever seen 1 issue once with a dog.

the owner was mortified and apologetic (it was a frazzled mum with a dog and a baby and no spare hands)

Your changes by stealth will remove the local "off leash" area that has never had any issues and is not a popular public area or swimming beach.

I cannot support any part of your rule changes as it doesn't account for the fact there is no local issue.

We are so far behind other countries in this area where dogs are in cafes, restaurants, on buses and planes .... we are in the dark ages for even considering removing access to local walks.

3. Dog access rules at Regional Parks

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

There are a huge number of experienced dog walkers who have dedicated their efforts to improving the lives of dogs through pack walking. If a limit is enforced, this will drastically impact the health of the dog and the dog walkers who have poured all their resources into creating a safe way for families to ensure their dogs are properly exercised and socialised. I believe a better solution would be introducing a permit for dog walkers that can be applied for, audited and revoked, if necessary.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1812

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The restriction on the number of dogs which are able to be walked at any one time will negatively affect professional dog walkers who earn their living walking other people's dogs. The current proposal (no more than six dogs at a time) would make it unviable for professional dog walkers, leading to them closing their businesses and meaning that more dogs would not get a decent walk. I myself use a dog walker once a week for my dog as I am not able to get out every day because of work obligations. I fully support these professionals and I would encourage the council to work with these people to find a way forward. I also wonder whether it would be better to provide licences for professional dog walkers to provide a regulatory framework.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#1942

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

As a dog owner who pays registration every year I do not want to see any access to parks or beaches (especially off leash) removed. If anything, I would appreciate more off leash areas.

There are very few areas that allow dogs off leash at present, and the majority good dog owners should not be penalised for the actions of the few who are bad dog owners.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

I feel like this would be a better alternative for professional dog walkers/care workers. They provide a good and healthy service for people who are serious about there dog's welfare. Also possibly a licensing system for professionals too, because the legitimate service providers will be able to continue working.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

This is fair for all who use those regional parks. I don't see a problem keeping a dog on a leash in these area's.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

I support this, originally I would have opposed it. But its fair for all dog users. Dogs should be walked in the morning or evening anyway - especially during hot summer months. And then for the rest of the year if you fancy taking your dog to these locations you can take them off leash anyway.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

This makes sense - and it is a better clarification of the existing rule.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Better clarification and helps other people enjoy these areas. Also helps with conservation efforts in and around the area.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

You can do as many rules as you changes as you want, but unless you have people to police it , it doesn't matter.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2055

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Agree - though even 3 off leash are hard to control

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Agree with proposed changes.

3. Dog access rules at Regional Parks

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

While the proposed legislation addresses some important issues, they risks causing harm to professional dog walkers and pack walkers whose livelihoods depend on this work, and of course to those that rely on these services. The proposal restrictions will unfairly target professional dog walkers, who in my opinion are highly skilled in dog training techniques, without addressing the root issues.

This approach overlooks alternative options, such as introducing licensing for professional dog walkers to ensure regulation and high standards within the industry, and focusing enforcement on solutions that Auckland Council survey identified, such as roaming dogs and out of control dogs. These changes would address public concerns without destroying an industry that provides a vital and professional service to dog owners in Auckland. As a result, I do not support this proposed legislative review by Auckland Council.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog enjoys her weekly walk with a group if other dogs, This provides much needed mental simulation on a day when we cannot provide that for her. Reducing the numbers of dogs allowed will not only reduce the stimulation but will also increase the cost and may make it unaffordable to dog owners.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2072

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

It helps keep both public and dogs safe especially now that there's a surge in roaming dogs. The only cons would be the dog walking services will increase in cost.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I would go as far as all dogs in an urban area that is not a working dog be de-sexed. There's a lot of unwanted puppies in the rescues and people just leave their dogs to breed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Please have clear signage on parks/ beaches/ reserves.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Please increase areas where there are fenced-off dog parks similar to what Hamilton has. This way, dog owners have areas they can let their dogs run free without disturbing the public. There are very limited fenced parks in Auckland which results to crowding.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Please be more strict with the dog rules around Muriwai. As a dog owner myself, I have seen dogs going to the south of the surf tower and this poses risk to the birds.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2074

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

If the dogs are under control and pooh is being picked up , then I do not see any issue. There are companies who rely on dog walking to make a living, have you made any consideration if 6 dogs would be still viable for this type of business to run. Or are the dogs going to be couped up inside and not get any exercise.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dog walking particularly pack is a fantastic way to socialize and exercise dogs, it keeps them moving and a better and often safer type of socialization than doggy daycare. Dog walk or pack adventures are pivotal for those with owners who office work, high energy breeds or have to live in the ridiculously small "homes" with little to no yard the council thinks is appropriate way to help the "housing crisis".

There is already large wait lists to get into pack walks (over a year for some) the demand for this is there, this rule would diminish the spots available, push the costs past reasonable to do it, and also the walkers likelihood of continuing business deminishes. All of which are just a detriment to the dogs. They end up loosing out.

There are some fantastic pack walkers around and they shouldn't be punished for the cowboys. I agree there should be some regulation or appro al process that enables dog walkers to demonstrate they are capable of such a task. Alternatively the council needs to have large fenced areas that can accommodate a pack walk with a variety of features from water. Forrest, pastures and beach where possible in multiple spots around auckland that can be either booked by pack walkers or exclusive to them during business hours

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

In my 10 years owning my dog, I have never encountered any issues whilst visiting parks or walking outside and my dog and I have met many other owners and dogs. This proposed change is to target a small amount of irresponsible dog owners, whilst punishing many more responsible dog owners. Plus Animal Control staff are already overwhelmed dealing with dogs who are roaming freely. I think new rules around Animal Controls process dealing with issues is far more important. I recently had a dog that was roaming my area. This dog jumped my high fence and was humping my male senior sick dog, stressimg him out and running through my home, which I have always secured safely on my property. Because they never got him, nothing came of this incident. However when this dog was out again few days later, whilst I was walking to the gym, this dog came at me. When I queried with Animal Control if both incidents would be brought to light if the owner was found and I was told no, only the recent one. Only the second incident was made into a statement. The fact that I had to live in fear in my own home, worrying about mine and my dogs safety is an absolute joke.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Never had issues before, punishing everyone for a small handful of irresponsible owners isn't fair. The less our dogs are out in society the more harmful to their behavior moving forward

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Never had issues before, punishing everyone for a small handful of irresponsible owners isn't fair. The less our dogs are out in society the more harmful to their behavior moving forward

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Never had issues before, punishing everyone for a small handful of irresponsible owners isn't fair. The less our dogs are out in society the more harmful to their behavior moving forward

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Never had issues before, punishing everyone for a small handful of irresponsible owners isn't fair. The less our dogs are out in society the more harmful to their behavior moving forward

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Never had issues before, punishing everyone for a small handful of irresponsible owners isn't fair. The less our dogs are out in society the more harmful to their behavior moving forward

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2092

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I have been at a local beach where pack walkers that seem to have no control or training walking dogs and their dogs are not under control and rush at your dog making it uncomfortable situation for your dog and puts them on edge. They don't have control over them as they run all over the place and you can't watch that many dogs at once

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I agree there should be a limit on the number of dogs under one person's care at any time in public places. I do not agree that some dogs should be held back while others are let off lead. The reasonable number of dogs that one person can walk is 6, and provided all dogs are well-behaved, and aren't classified as dangerous or menacing, then there should be no reason why all 6 cannot be let off at the same time. The people who pay dog walkers are the people who care, and should not have unreasonable restrictions and limitations placed upon them. Deal with the problem people and dogs, and leave the well behaved ones alone.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2126

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I can understand the need to manage the number of dogs a lay person can walk at any one time however I think you should discriminate the lay person from professional dog walkers.

From my experience with professional dog walkers, the dogs are typically walked in the forest and only placed in packs after the dog walker has assessed the animal's behaviour and characteristics and matched them to an appropriate group. In these built-up areas, dogs do not get enough exercise and these pack walks are typically a dog's ONLY opportunity to get a good off leash run in. Dog walkers manage their dogs with some on and some off leash at all times dependent on the dogs, the situation and the environment.

The walkers that we have used have excellent control over the dogs and there have been no incidents where the dogs or anyone else has been hurt.

To limit the number of dogs a walker can walk AND limiting the number of off leash dogs would:

1. make it a lot more expensive to get a dog walking service (possibly cost prohibitive)

2. negatively affect my dogs mental and physical health and socialisation if she can no longer participate in a pack, or if she has less time off leash.

3. in cases when my dog has missed her pack walks she actually becomes more aggressive with people and other dogs walking past the gate and more reactive on leash when out walking.

If you want to manage risk, then rather than limiting numbers, add an accreditation / registration programme for professional dog walkers and give them less restrictive rules, so they can continue this invaluable service.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I have come across dog walkers at areas where I take my dog. It has concerned me that they can keep firm control of all these dogs if they come across a members of the public walking their dog and the dogs don't get on. Also whilst walking my dog when I see so many dogs together it does make me feel uncomfortable, worried again of the control when they are all off leash. I personally feel no more than four dogs. It puts me off taking my dog to dog parks or any park where I know dog walkers use, which is unfair for the general public.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2157

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I am writing in opposition to the current proposed change to the bylaws in respect to walking multiple dogs at once. My dog is currently walked by a professional pack walking company who perform their duties with the utmost professionalism and care ensuring all dogs are well looked after and return happy. The company that I use ensures that all dogs are under control when on or off lead and all current council bylaws are followed.

I am benefitted by using the service of my pack walking company:

If my pack walking company had to make significant changes as a result of this proposed changes to the bylaw, this would affect me,

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

If you apply the limits you have suggested on groups of dogs, either on or off lead, this will mean an end to professional dog-walkers and all of us who use them for the dogs' benefit (and our own) will suffer. It will no longer be financially viable.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2208

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Due to the amount of dog owners letting their dogs run free that then give our dog a hard time I think there should be strong enforcement and fines to those that aren't following the rules for dogs on leash areas. Also failing to pick up their dogs poop deposits should be looked at too as too many people pleasing them selfs and getting away with it

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Responsible dog walkers will be penalised with this rule. We are punishing the capable good dog walkers because of the not so good. It would be a better policy to have dog walkers penalised if they are not in control of the dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2373

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It's difficult to find a good dog pack walker: limiting the pack they can walk will increase cost and decrease availability, meaning dogs have to stay home more frequently, and won't benefit from the socialising aspect that a pack walk gives dogs. Any inexperienced dog walkers will have problems even if they're walking two dogs. Experienced dog walkers are the alpha in the pack, and can maintain control however many are in the pack.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2377

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

There are some highly skilled and trained dog walks out there and feel the proposed change does not

Take them into consideration .

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Long Bay Regional Park,Pākiri Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Only change the off-leash area to on-leash at all times

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It is really great to have a beach which has an on lead policy. I do not take my dogs to the beach during off leash hours as there are so many owners who let their dogs run up to all other dogs whether they are on leash or not. I take great comfort in knowing everyone during 10-5 needs to have their dog on a leash, this provides peace of mind while still being able to enjoy the beach environment.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

All dogs on leads and off leash areas kept to an absolute minimum. Parks are for humans to enjoy without disruption, far too many issues with out of control dogs and constant dog mess on walking tracks.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

ST Heliers and Kohimarama beaches

What local board area is this location in?

Ōrākei

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2451

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2452

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

If the dog walkers are registered with PDWA then they can be checked for their credentials and there is no issue with walking up to 10 dogs at a time

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

All dogs should be neutered by law to prevent the needless breeding and unwanted puppies unless they are registered as responsible breeders

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Making it harder to access parks with your dog

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There's a big difference between owners walking their dogs, general dog walkers walking dogs and pack walking businesses. I want to see pack walking businesses having insurance and a license/permit when conducting their business in public spaces. Separately, for owners walking their dog(s), there should be an easier way to report offending dogs when a situation flairs up and tensions/emotions are high. Irresponsible owners giving wrong details or just leaving the scene, meanwhile the other dog involved requires, sometimes serious, surgery. Limiting the number of dogs on a walk/off lead will only lead to more reactive dogs in the community, while making dog walking businesses unsustainable.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I support the proposed change
Tell us why
I have 3 small children and often visit the beach at T Arai and Forrestry beach. Currently it seems to not be clear about the locations that dogs are allowed and often dogs are on the beaches. My wife and i are often having to shoo dogs away that approach

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2511

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Is less ambiguous wording

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I’m a little concerned not letting dogs around the cafe will make it difficult for people to get refreshments when they have their dogs with them

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?
I support the proposed change
Tell us why
Although it seems a bit extreme, the message is clear - pretty much no point taking your dog there

Long Bay Regional Park
We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Why prohibit the dogs between 10am-5pm? That makes it very tricky for families with dogs, so why not and not just leave it as under control on leash?

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I don't know
Mahurangi East
I support the proposed change
Mahurangi Scott Point
I support the proposed change
Tell us why
It just seems a little unfair to only allow dog owners to take their dogs on one track / one beach at the entire park

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
Clear wording

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It doesn't seem fair or justified to prohibit dogs. Perhaps the usual off leash / on leash hours during winter & summer respectively would be fairer

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

It appears to be clearer wording and fairly usual limitations during summer

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I support the proposed change

Tell us why

Appears clear and relatively fair & reasonable

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

I'm not sure if it's fair to completely prohibit dogs but hopefully there's a valid and fair explanation

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

It appears relatively similar to previous dog access and the wording is clear, albeit a little convoluted

Waitawa Regional Park
We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
How are dogs meant to run around if they're on leash? What is the reason for changing from off leash to on leash. What about a compromise and make it in line with the on / off leash during winter & summer?

Wenderholm Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
Clear wording

Whakanewha Regional Park
We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.
What do you think of this proposed change?
I don't know
Tell us why
Allowing additional on leash access seems logical although not sure I agree with no off leash areas

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2525

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2583

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Local dog walkers in my area are not able to manage more than 3 dogs, suggest the 6 dogs on leash be updated to 6 small or medium dogs or 3 large dogs. Doubt any handler can manage 6 large dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Shakespear Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

On leash should be allowed at all times

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I support this, as there are too many dog handlers who think they can control their dogs, but when put to the test, they cannot. And this often becomes at the expense of others members of the public and their dogs. However, as with any rules, unless it is enforced, those who think they can control their dogs will ignore it.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2680

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Too many dogs off leash can be hazardous. And also owners dog walkers don't clean after their dogs when they have these many in numbers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

this must be enforced strictly on menacing or aggressive dogs.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

There should be an easier way to report menacing dogs that are repeat offenders and known in community. The call centre takes really long to record already reported information. Repeat offenders should have a file number or a specified list so they can be reported quickly. Most dogs are not of specific breed, explaining this to some call centre employees is very difficult. Call centre employees should have a better training.

Also animal control officers should be given more authority to act on irresponsible owners and menacing dogs.

Irresponsible owners that threaten other dog owners should also be acted upon.

American Akitas , German Shepherds, Malinois, Rottweilers, should also be put under threatening dogs list. If these breeds are aggressive then they are lot more threatening and dangerous than any other dogs. Owners and breeders of dogs like these should go through a test or complete an assessment for bring responsible owner. Training and desensitisation of such dogs should also be imposed strictly.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

north shore

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Timings should be clear when the dogs are allowed off leash. On leash dogs should be allowed at all times.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2687

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Thr industry needs regulation, but not an outright ban! Licensing off-leash dog walkers with training is a safe and reasonable alternative.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

All dogs must be under control at all times whether on or off leash. One poorly controlled dog can cause way more havoc than 10-20 well controlled dogs. Having an arbitrary number of dogs permitted to be walked at one time will lead to less dogs being walked and socialised, likely causing more dog behavioral and roaming issues. The notion of 3 dogs on leash and 3 dogs off leash is ludicrous. Having dogs tethered while other dogs are allowed to run and play will just result in hyper frustrated dogs.

Commercial dog walkers should be licensed with appropriate training and regulations. The current proposal will mean many professional dog walkers will no longer operate as it will be financially unsustainable or have to increase the fees so much that many people will no longer be able to afford their services.

Please consider the benefits of licensing Commercial Dog Walkers. e.g. https://wellington.govt.nz/certificates-and-licences/trading-in-public-places/dog-walking-license

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Limiting natural public spaces ultimately punishes the dog. Poor dog welfare and behaviour is not the dog’s fault - it is the human owner’s fault. Changes to these dog policies should emphasise adherence to existing rules, including penalties and education. There’s no point in changing the rules if they are not enforced as the same people will continue to ignore them. I see people walking their dogs off-leash when they should be on-leash, but there’s no well-known mechanism to safely report these people and there doesn’t seem to be any repercussions, so people get away with it. Instead, owners who properly care for their dog and properly train them should be rewarded. For example, owners who can provide evidence of attendance of dog training school should be given benefits or discounts. In a similar vein, those who are well known to the Council to be keepers of troublesome dogs due to poor training and lack of accountability by their owner should be penalised by excessive reigstration fees or removal of the animal. Enforcement of rules should be paramount - if there is no enforcement, then there will be no point in having the rules changed.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2762

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I do not think that the number of dogs a dog walker walks is the issue. The issue is people who don't have their dog under control, let them roam, do not train them, do not exercise them. It's the dog owners who don't take care of their dog who are the problem not professional dog walkers. Auckland council should address the actual issue and not some made up "problem". I'm a dog owner myself and I am responsible and exercise my dog and train her and make sure she is not annoying to others. I myself am nervous if I meet a roaming dog or if I get attacked by a dog who's owners don't take care of it and at irresponsible. And it's always the same type of people. Council should have a think how to address the root problem by making people proof they are suitable for having a dog. Would also be better for the dogs as they're not chained up in the garden wasting away until they die. Also why is chaining up a dog not illegal in this country. It's ridiculous.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

My dog walks with professional dog walkers whom I trust to do the right thing in public - how about the council require dog walkers to obtain a licence or permit to walk multiple dogs. General public wanting to walk more than two dogs requires a permit but walking one or two dogs only, requires only a responsible dog owner.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2811

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Council has more than enough bylaws in place already to control uncontrolled dogs whether in packs or not.

Placing these unnecessary controls on dog-walkers, whether professional or not, can only mean that more dogs will be kept locked up and not given walks. That will lift poor behaviors and mean that council will get more calls to dog incidents, barking etc.

The stated objective "ensures the welfare of dogs" will not be served by the introduction of this change.

Further, council do not use the existing laws as it is - witness numerous reports of wandering and dangerous dogs which council seem unable or unwilling to do anything about.

Further penalising "good" dogs and their owners while the unregistered/dangerous owners (and dogs)go unpunished is not the way forward. Sort out the current mess, with the bylaws that already exist, before considering any more rules.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I support the proposed limits for individual dog owners, but it should not apply to dog walking businesses. There should be a regime where those companies can be registered so that they can be assessed and signed off as meeting appropriate requirements to be able to walk more than 6 dogs. Businesses that don't meet the required criteria should be limited to 6 dogs or less at a time. I am a dog owner, but don't use those services as I walk my own dog.

I feel that the council finds it easier to harass responsible dog owners who do the right thing for their dogs whilst putting the feral scumbags whose feral unregistered dogs in the too hard basket.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2884

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

At present commercial dog walkers use a local park very frequently. Some have a large number of dogs, over twelve at times. They don't always pick up the dog droppings, because they can't watch that many dogs. This number of animals is upsetting to some people especially with children. The dogs are also taken on poorly formed tracks and en masse cause a lot of damage when the ground is wet. It has made it difficult for other park users to use these tracks, they're narrow and rutted.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

Other (please explain below)

Tell us why

I am a dog owner of 2 dogs.

One of these happily goes on pack walks without trouble and the suppliers of pack walks will struggle to survive and put prices up if the restriction goes to 6 dogs.

There must obviously be a limit but to registered dog walkers a limit of 10 would be good

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This new proposed rule will negatively affect so many vital dog walking businesses and the owners who rely on these services for their dogs.

Limiting the number of dogs that are allowed on/off leash isn't the issue that needs to be addressed - the issue is the lack of licensing and regulations around who is allowed and able to provide these dog walking services.

For example, there is a large number of companies who offer dog walking services becasue is no regulations around who can or can't open a dog walking business, but so many of these people do not have the right level of education, knowledge of dog behaviour or general common sense to be able to safely and effectively operate and manage a business where you have to consistently manage dogs behaviour both on and off leash.

An alternative solution would be to create a 'licensing' procedure to license professionals who clearly display the abilities, qualifications, physical fitness and mental alertness required to be able to manage a number of dogs both on and off leash so that the businesses who cannot show this, can be weeded out, which would ensure that dogs are managed effectively regardless of whether they are on and off leash, ensuring a lower number of incidents all around.

There are a number of businesses who can handle 10-20 dogs on and off leash at one time and train their dogs for all sorts of scenarios to prevent incidents from occurring - by lowering the number of dogs allowed on and off leash, it would have a number of negative impacts on this industry and dogs welfare in general, for example, dog walkers would need to multiple walks a day rather than 1-2 large pack walks, meaning increased hours and over-working the individuals providing this service. it also means a lot of dogs wouldnt get walked at all, and wouldn't receive the physical and mental stimulation they require or deserve.

Another alternative is to simply provide more education and possibly even regulations on who is able to own a dog - so many people buy/adopt a dog without realising the amount of work and effort that a dog requires to ensure that they are 'under control' at all times as there just enough education or support available to the public to understand what they are signing up for when they get a dog.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2940

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The point is dogs must be under control at all times no matter how many, on or off leash.

It may be appropriate to have commercial dog walkers registered and require that they undergo relevant training.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2964

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This is a ridiculous rule that is not backed by evidence that the issue is packs of dogs being walked off lead are causing issue for the council dog officers. We, like many people pay for our dog to be walked by a professional company. They interview the dog (and owner) before you get accepted and they run a very tight operation and have our dogs under control. Council is right to have a discussion about stray dogs. But the over reach to professional dog walkers is unacceptable.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I either support no change to the current rules or limiting numbers unless under licence. It makes sense that the industry may need some form of regulating BUT it should be a condition that the industry is involved in any regulation out in place. My dog currently walks with The Dog Squads in a pack of roughly a dozen dogs. Not o ly do they provide a great service of wzercising my dog but the training, energy, care and attention they have out in to him has helped his development in to a calm, gentle, loved part of my community has been invaluable. Your current proposal of 6 dogs with 3 off leash will change the dynamics of the service they offer and ultimately may make the service cost out of my reach - resulting in my dog receiving less training then he currently gets

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Please do not restrict dog access to places any further than already restricted

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#2995

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash unless licence obtained

Tell us why

Having some dogs off leash, whilst other dogs are on leash is a disaster waiting to happen.

A dog walker is much more likely to be able to contain 6 dogs off leash than if 3 are off leash and 3 are on leash.

I agree that dog walkers who walk more than 4 dogs at a time should require licensing.

But essentially you are punishing well behaved dogs and competent dog owners because of idiot dog owners who do not respect others dogs or even there own dog.

The behaviour of dogs who are "on leash" whilst the other dogs are off leash is going to end up worse and could make the problem worse.

You need to consult professional dog walkers on this issue before you make radical and stupid decisions. They will give you the best feedback.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other

areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3007

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Dear Auckland Council,

I am writing to express my strong opposition to the proposed changes to Auckland's dog-by-law regulations that would limit professional dog walkers to having only three dogs off-lead at a time. These changes would have a significant negative impact not only on professional dog walkers but also on the physical and mental well-being of the dogs in their care.

Key Concerns:

1. Reduced Exercise and Socialisation:

Dogs need off-lead time to properly exercise, play, and socialise with other dogs. Restricting this opportunity could lead to increased behavioral issues and decreased overall well-being. Social interaction in a pack environment is essential for dogs to develop and maintain healthy relationships with other dogs.

2. Increased Stress and Frustration for Dogs:

Dogs restricted to leads for extended periods may become frustrated or stressed, as they are unable to explore and interact freely. This can lead to anxiety and other stress-induced behaviors.

3. Safety Concerns with Multiple Dogs on Lead:

Handling multiple dogs on lead while managing off-lead dogs can create unsafe and chaotic situations for walkers and dogs alike. Such restrictions could inadvertently increase the risk of accidents.

4. Increased Costs for Dog Owners:

Limiting the number of off-lead dogs would require professional dog walkers to either reduce the size of their packs or increase the number of walks, inevitably resulting in higher costs for dog owners. This would unfairly penalise responsible owners who prioritise their dogs' health and happiness through professional services.

5. Negative Impact on Professional Dog Walking Services:

Pack walking services provide immense value to Auckland's dog-owning community by ensuring dogs receive proper exercise and socialisation. This proposed rule would severely limit the ability of professional dog walkers to operate effectively, undermining their livelihood and the quality of service they provide.

This proposal is especially troubling given that Animal Management and the majority of Local Council Boards have already expressed opposition to it. These bodies understand the real-life implications and practical challenges associated with such a restriction.

I urge the council to reconsider this proposal, which punishes responsible dog owners and professional dog walkers who provide essential services for the community. Instead, resources should be focused on educating dog owners about responsible pet ownership and enforcing existing rules around leash-free zones.

Thank you for considering my submission. I strongly believe these changes would be detrimental to both dogs and their owners, and I ask the council to reject this proposal in favor of supporting the well-being of our pets and the businesses that serve them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I have never had an issue with dog walkers, they are always considerate with their dogs, follow the rules and they are trying to make a living helping other responsible dog owners. If you are going to limit anything you should have stricter rules on people that can actually own a dog. So many people go out and buy dogs and don't train/look after them properly, they are the ones causing trouble in local areas.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

It’s is very confusing having so many different areas. Keep the rules simple and you will have a better chance of people actually following them.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott’s Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs should be allowed on the beach in summer under control on a leash. So many people have dogs that are like family members and not allowing them on the beach in summer means the dogs have to stay home in hot houses. It’s unfair to dog owners who are the people who actually use the beach the most year round.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Milford beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Milford beach should allow dogs under control on leash during summer hours. The off leash hours in the morning and evening should stay.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs are becoming an increasing party of people's family and it's unfair to dogs and dog owners that they can't access the beach during the summer between 10am -5pm

Location 2:

What is the full name of the location where you want to change the dog access rules?

Kendall Bay

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Change the current rule to a time and season rule / Change the current time and season rule (please specify)

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationDogs are a part of the family. It’s unfair to restrict access to people and their dogs in summer. Dogs should be allowed on leash and under control between 10am and 5pm. Off leash rules should stay the same**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

As above

Location 3:

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

The council should be looking at greater access for dogs rather than restricting it. More and more people are choosing to have dogs over children and it's only fair that people that choose to do this get the same access as other families.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3141

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It is essential that dogs are given the opportunity for outside activity and socialisation with other dogs. Many dog owners who work during the day pay for professional dog walkers to take their dogs on 'pack walks' with other dogs. These dogs are vetted by the dog walking professionals. The dogs get to know each other and get to know their walkers. Limiting the number of dogs off lead will negatively impact dogs, dog owners AND the wider public. The cost to have a professional dog walk will increase and fewer dogs will get the exercise and socialisation they need as a result. This will result in greater numbers of agitated and poorly socialised dogs in Auckland's neighbourhoods. Already too many anxious agitated poorly socialised dogs sit trapped within fenced properties. This rule change will be negative for everyone. Rule changes should be made to encourage good dog owners socialising their dogs more often. Professional pack walkers are experienced in handling dogs and monitoring dog behaviour. Dogs bond with their walkers, and dogs bond with their pack. This rule change will not reduce the risk of lone dogs causing harm.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3146

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I agree there should be a limit on the total number of dogs walked - say 6 or 8 -but I do not understand why the council have chosen a rule whereby half the dogs must be on a leash. These dog walks are intended to be a 'pack' - where the dogs run together and play. My dog would be extremely distressed to be on a leash while half the pack where running and having fun together. Dogs on the leash would feel more confined and it could cause upsets within the pack. Please do not implement this rule as it would greatly impact my dog's life.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

It is not clear to me whether dogs are allowed in the Woodhill forest walks (accessed from the Muriwai carpark / car beach entry) and the estuary from the car entry to the beach towards the sea (the end of Coast Road). Please clarify.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This proposal reveals a total ignorance of dog behaviour and socialisation needs, and flies in the face of evidence. For dogs and humans to flourish together, dogs need to be active and well socialised, with the ability to sniff, off lead. A busy, mentally stimulated dog who is getting adequate exercise is a safe and happy dog. Depriving dog owners of this option will be directly detrimental to the community, and of course to the dogs. Pack walkers provide an incredible service to the community. This proposal makes no evidential sense. Dog walkers are not the issue. Roaming dogs, owned by negligent, irresponsible owners are the actual issue. Any dog who has the services of a professional pack walker is owned by a loving owner, willing to pay for the expert walkers who know and love dogs. Hindering this option will negatively impact Auckland- more dogs will be trapped at home all day, getting anxious and hyper vigilant.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog has gone on an organised pack walk/adventure for the last 6 years with City Pets Canine Adventures. She is looked after by a well trained person who is very good at controlling multiple dogs under his care (whole day). Because of these adventures our dog is dog socialised, well exercised and well trained with recall etc. If this proposal goes through dogs will not be socialised, or exercised, people will lose jobs, businesses will close! Refutable companies/businesses as above run very well and should not have to change. what is working for them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This change would penalise dog owners who are trying to be responsible by giving their dogs enough exercise and socalisation, using a professional dog walking service.

Being on lead would not exercise the dogs sufficiently and not allow them to learn good socialisation skills through play. It would be more difficult to manage multiple dogs on lead (getting tangled).

Ultimately this will reduce the number of dogs that can be walked and increase the cost of this kind of service. If it becomes too expensive, then people will not use the service, resulting in dogs that are under-stimulated, anti-social, and could become nuisances.

By far the majority of these walkers have excellent control of the dogs (usually better than the owners as they are professionals). I strongly oppose these changes, and would much prefer a license system be utilised for walking more than 8 /10 dogs. This license could be revoked if any instances of bad behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3283

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We use these services and they are very professional and have better control than most owners who are walking their own dogs (often off lead with no recall).

If these limits are put in place, the costs will go up drastically, and we would not be able to use this service. We rely on it to exercise and socialise our dog. Our circumstances changed as we got older and are no longer able to do it ourselves. These changes would penalise responsible dog owners like ourselves, trying to do the best by our dogs. You should instead penalise the specific walkers that cause the problems.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3286

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I support this for public places, however for parks that allow off leash, i feel like some flexibility could work,especially for dog walkers who check if dogs are reactive first before they go through the pack walks

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

I think this is good because it imposes responsibility on owners and what it means to have and care for multiple dogs

Clarify how dog access rules are set:

Support

Tell us why

Yes - often some beaches and other parks are not as clear nor not the same online and in parks. It would be good to know the updated laws about dog access

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Impose DOC on some mountains. More and more owners are careful, and having DOC dog access gives more options but also responsibility

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

No

3. Dog access rules at Regional Parks

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Long Bay allow dog access wherever possible, this is a prime walking beach

What local board area is this location in?

Hibiscus and Bays

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

There's not a great deal of wildlife on this beach it's so busy that onleash should be ok except in wetland areas where birds are common

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Wherever possible please allow some access for in leash dogs, where birds and wildlife are not at risk.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

This change would penalise dog owners who are trying to be responsible by giving their dogs enough exercise and socalisation, using a professional dog walking service.

Being on lead would not exercise the dogs sufficiently and not allow them to learn good socialisation skills through play. It would be more difficult to manage multiple dogs on lead (getting tangled).

Ultimately this will reduce the number of dogs that can be walked and increase the cost of this kind of service. If it becomes too expensive, then people will not use the service, resulting in dogs that are under-stimulated, anti-social, and could become nuisances.

By far the majority of these walkers have excellent control of the dogs (usually better than the owners as they are professionals). I strongly oppose these changes, and would much prefer a license system be utilised for walking more than 8 /10 dogs. This license could be revoked if any instances of bad behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3421

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

The ever increasing number of owners who dodge the responsibility of registering their dogs should be the primary focus for Auckland dog control. These people should be the target. Owners who register their dog are paying for the management of those who do not & that is clearly unfair.

Launching an intensive enforced public campaign to ensure that all dogs are registered would solve many of the associated problems with dog control & have favorable support from legal dog owners & the non-pet owning public.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Other (please explain below)

Tell us why

Needs to have exceptions for qualified dog handlers - these organisation's have undergone professional training and kmow how to handle dogs, as well as putting the dogs through proper vetting before taking them in public. Roaming dogs are the issue where owners who don't take adequate care of their dogs are letting them down.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3451

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The proposed change will have negative unintended consequences across numerous areas including:

1. economic impact to professional dog walkers - these are predominately highly trained and accredited small businesses who will likely go out of business due to having to reduce their clients and substantially increase their service costs. This will make their services unaffordable.

2. As a responsible dog owner - solo parent and employed full-time, my dog (a retired service dog) goes on a pack walk twice a week. This service has been a godsend for my wellbeing and for my dog. Without this service, I would be stressed trying to fit adequate exercise in for him around the short walks he receives by my family on other days. This would negatively impact my dog's wellbeing - as he not only receives quality exercise but also ongoing obedience training as well.

For the highly experienced and well regarded professional dog walking services they provide more than exercise. They keep the dogs' minds enriched through natural parkour, socialising with other nonaggressive dogs, and provide obedience training. Reinforcing positive dog behaviour and acting as early interventions to mitigate boredom and anxiety within dogs that increase negative outcomes associated with dog related complaints.

The proposed change and alternative options presented will not stop roaming dogs and poor dog ownership. Instead it will increase negative outcomes, cost of living and job loss for many small businesses.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3464

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Because having less dogs on leash does not help the trained dog walkers and their business, untrained dogs and dog walkers will always be an issue regardless.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Council and New Zealand as an entire nation needs to allow more access to dogs at different places, malls, regional parks, doc lands etc, well trained and behaved dogs do not attack other animals, some of us dog owners would love to visit these places without having to keep dogs at expensive day cares.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Council and New Zealand as an entire nation needs to allow more access to dogs at different places, malls, regional parks, doc lands etc, well trained and behaved dogs do not attack other animals, some of us dog owners would love to visit these places without having to keep dogs at expensive day cares.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Totally unnecessary and unwarranted, as it is New Zealand as a whole is a very dog unfriendly country to own a dog, Auckland and Tauranga council being the worst at it, the board should have been fighting for more access to dogs in malls and restaurants etc, even our biggest Airline doesnt allow dogs to fly on board when other so called less developed countries do. Then again every one goes on about fragile environment and preserve native species, but that is just another way of saying to developers go build 10 townhouses where one used to be and charge a million for it, that will definitely save the fragile environment, but a well trained dog walking on a path will destroy it.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Only change the off-leash area to north of the rose gardens before 10am and after 5pm (on-leash between 10am and 5pm)

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

I don’t know

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I don't know

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Auckland Malls

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Totally unnecessary and unwarranted, as it is New Zealand as a whole is a very dog unfriendly country to own a dog, Auckland and Tauranga council being the worst at it, the board should have been fighting for more access to dogs in malls and restaurants

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Totally unnecessary and unwarranted, as it is New Zealand as a whole is a very dog unfriendly country to own a dog, Auckland and Tauranga council being the worst at it, the board should have been fighting for more access to dogs in malls and restaurants

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

(1) It will negatively impact the professional dog walkers

(2) No evidence has been provided to justify such restrictions

(3) Why would the Council deny someone's ability to run their business and make a living? Would they be better accessing the benefit support services?

(4) it will negatively impact the services that I receive from them

There are alternatives to be considered:

(1) Licensing professional to walk larger groups

(2) Enforcing the rules that are already in place (dogs must be under control)

(3) Providing more education and support to the public about what owning a pet actually entails and how to access services & support.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3748

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

An experienced well trained owner or handler who has taken the time to build up their relationship with their dogs can easily handle more than 3 trained dogs off leash and the same with the 6 dog on leash limit.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

I don’t know

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I you oppose the proposed limit of "6 dogs on lead and 3 off-leash" at any one time. We use a very professional, reliable and responsible dog walking service which enables us to work whilst knowing our dog is being cared for appropriately and safely. This new proposal will negatively affect professional dog walking businesses and the services provided to us as dog owners.

I believe better solutions would be as follows:

○ Licensing professionals to walk larger groups

○ Having different limits for the public versus professionals

○ A license for anyone wanting to walk more than 2 dogs

○ Having different limits based on the density of the population in an area

○ Enforcing the rule ‘dogs must be under control’ no matter the number of dogs which is already in place

○ Providing more education and support to the public about what owning a pet actually entails and how they can access training and services to support them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3890

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Long Bay Regional Park,Muriwai Regional Park,Pākiri Regional Park,Tāwharanui Regional Park,Waitawa Regional Park,Wenderholm Regional Park,Whakanewha Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The issue is not the numbers of dogs/ walker but the competence of the walker in handling the dogs they have. A professional good walker can have control over 8 eight dogs while a family member with one dog can be a menace.

It also depends on the place where the walk is taking place. A large pack of dogs on a narrow bush track or small beach is unsafe whereas in a space with ample room is much safer.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There are professional dedicated dog pack walkers who train the dogs they walk and they are always under “control” -either on lead or voice command . The dogs benefit from the free range exercise and interaction with other dogs . Responsible owners who cannot give their dogs adequate exercise and socialisation rely on these pack walkers to provide this .

These pack walkers need to be “tested “ for competence and compliance annually and have a licence issued . If they dont comply they lose their licence and pay a fine .

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#3972

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

1. Opposition to the Proposed Limit of "6 Dogs on Lead and 3 Off-Leash"I oppose the proposed limit of "6 dogs on lead and 3 off-leash" at any one time. This change will negatively affect professional dog walkers and the services they provide. Professional dog walkers often manage larger groups of dogs efficiently and safely, and this limit would restrict their ability to operate effectively. Basis for the Six Dogs Per Handler Limit The proposal from the council does not provide a clear basis for the arrival at the decision on the limit of six dogs per handler. Neither does the proposal guarantee public safety or wildlife protection, as it allows anyone, experienced or not, to manage dogs. To understand the proposed changes, there needs to be transparency from the Council around:

•How the limit on the number of dogs was determined?

•Who was consulted in the decision-making process?

•How many incidents have been reported to the council over the past 2 years that led tothis proposed change?

•Have any industry bodies consulted as part of the proposed changes?

Without this information, it is difficult to assess the effectiveness and fairness of the proposed limit.

2.Impact on Professional Dog Walkers and the Community

This proposed limit will have several negative impacts:

• Professional Dog Walkers: The restriction will reduce the number of dogs they can walk at one time, affecting their income and business viability.

• Services Provided: Clients may face increased costs or reduced availability of professional dog walking services.

• Community and Industry: The limit does not account for the varying levels of experience and training among dog handlers. It may also lead to an increase in unregulated and potentially unsafe dog walking practices.

3. Personal Experiences and Community Impact

From personal experience, professional dog walkers play a crucial role in our community by ensuring dogs receive adequate exercise and socialization. I have had the benefit of their services with my own dogs. Both of my dogs were rescued who had never been socialized. While one of my dogs is deceased, the other has made huge strides and improvement thanks to the help of a professional dog walking company who has

experienced handlers and well as trainers. Limiting the number of dogs, they can walk at one time will reduce these benefits and potentially lead to more dogs being left at home without proper care.

4. Alternative Solutions

To address these concerns, I propose the following alternative solutions:

a) Licensing Professionals to Walk Larger Groups: Implement a licensing system that allows qualified professionals to walk larger groups of dogs.

b) Different Limits for Public vs. Professionals: Establish different limits for the public and professional dog walkers, recognizing the expertise of the latter.

c) License for Walking More Than 3 Dogs: Require a license for anyone wanting to walk more than three dogs at a time.

d) Population Density-Based Limits: Adjust limits based on the density of the population in different areas.

e) Enforcing Existing Control Rules: Enforce the existing rule that dogs must be under control, regardless of the number of dogs, which is already in place.

f) Education and Support: Provide more education and support to the public about responsible pet ownership and access to training and services.

5 Licensing and Prequalification of Dog Handlers

In relation to the alternative solution noted above on licensing, it is crucial to implement a robust prequalification process for dog handlers beyond just a licencing fee. This should include:

• Submission of a written Standard Operating Procedure (SOP) by each professional.

• Confirmation of the dog handler/s years of experience and any relevant training completed.

• Agreement to random monitoring or audits - like the food safety inspections conducted by the Council. An auditor or animal management representative, or an appointed person from an industry working group, should accompany dog handlers at short notice (48 hours) to observe their handling of dogs. This will ensure compliance with Council prequalification standards and their own SOPs.

6. Accountability and Professional Standards

Implementing these measures will help distinguish true professionals from those who merely call themselves dog walkers without the necessary training, skills, or experience. Accountability through regular monitoring and audits will ensure that only qualified individuals are entrusted with the responsibility of managing dogs in public spaces.

7. Ensuring Public Safety and Wildlife Protection

The current proposal from the council does not guarantee public safety or wildlife protection, as it allows anyone, experienced or not, to manage dogs. To address this, the Council should:

• Require professional companies with staff having less than two years of experience to commit to training by a recognized provider.

• Ensure that all handlers, regardless of their experience level...

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Submission to Auckland Council on Dog Handler Licensing Proposal

Subject: Feedback on Proposed Changes to Dog Handler Licensing and Management

Date: 31/01/2025

To: Auckland Council Regulatory and Safety Committee

Dear Members of the Auckland Council Regulatory and Safety Committee,

I am writing to provide feedback on the proposed changes to the dog handler licensing and management regulations. While I appreciate the Council's efforts to enhance public safety and protect wildlife, I believe there are several areas where the proposal can be improved to ensure a more robust and effective system.

1. Opposition to the Proposed Limit of "6 Dogs on Lead and 3 Off-Leash"

I oppose the proposed limit of "6 dogs on lead and 3 off-leash" at any one time. This change will negatively affect professional dog walkers and the services they provide. Professional dog walkers often manage larger groups of dogs efficiently and safely, and this limit would restrict their ability to operate effectively.

Basis for the Six Dogs Per Handler Limit

The proposal from the council does not provide a clear basis for the arrival at the decision on the limit of six dogs per handler. Neither does the proposal guarantee public safety or wildlife protection, as it allows anyone, experienced or not, to manage dogs.

To understand the proposed changes, there needs to be transparency from the Council around:

- How the limit on the number of dogs was determined?
- Who was consulted in the decision-making process?
- How many incidents have been reported to the council over the past 2 years that led to this proposed change?
- Have any industry bodies consulted as part of the proposed changes?

Without this information, it is difficult to assess the effectiveness and fairness of the proposed limit.

2. Impact on Professional Dog Walkers and the Community

This proposed limit will have several negative impacts:

[redacted]

- **Professional Dog Walkers:** The restriction will reduce the number of dogs they can walk at one time, affecting their income and business viability.
- **Services Provided:** Clients may face increased costs or reduced availability of professional dog walking services.
- **Community and Industry:** The limit does not account for the varying levels of experience and training among dog handlers. It may also lead to an increase in unregulated and potentially unsafe dog walking practices.

3. Personal Experiences and Community Impact

From personal experience, professional dog walkers play a crucial role in our community by ensuring dogs receive adequate exercise and socialization. I have had the benefit of their services with my own dogs. Both of my dogs were rescued who had never been socialized. While one of my dogs is deceased, the other has made huge strides and improvement thanks to the help of a professional dog walking company who has experienced handlers and well as trainers. Limiting the number of dogs, they can walk at one time will reduce these benefits and potentially lead to more dogs being left at home without proper care.

4. Alternative Solutions

To address these concerns, I propose the following alternative solutions:

a) **Licensing Professionals to Walk Larger Groups:** Implement a licensing system that allows qualified professionals to walk larger groups of dogs.

b) **Different Limits for Public vs. Professionals:** Establish different limits for the public and professional dog walkers, recognizing the expertise of the latter.

c) **License for Walking More Than 3 Dogs:** Require a license for anyone wanting to walk more than three dogs at a time.

d) **Population Density-Based Limits:** Adjust limits based on the density of the population in different areas.

e) **Enforcing Existing Control Rules:** Enforce the existing rule that dogs must be under control, regardless of the number of dogs, which is already in place.

f) **Education and Support:** Provide more education and support to the public about responsible pet ownership and access to training and services.

[redacted]

5 Licensing and Prequalification of Dog Handlers

In relation to the alternative solution noted above on licensing, it is crucial to implement a robust prequalification process for dog handlers beyond just a licencing fee. This should include:

- Submission of a written Standard Operating Procedure (SOP) by each professional.
- Confirmation of the dog handler/s years of experience and any relevant training completed.
- Agreement to random monitoring or audits - like the food safety inspections conducted by the Council. An auditor or animal management representative, or an appointed person from an industry working group, should accompany dog handlers at short notice (48 hours) to observe their handling of dogs. This will ensure compliance with Council prequalification standards and their own SOPs.

6. Accountability and Professional Standards

Implementing these measures will help distinguish true professionals from those who merely call themselves dog walkers without the necessary training, skills, or experience. Accountability through regular monitoring and audits will ensure that only qualified individuals are entrusted with the responsibility of managing dogs in public spaces.

7. Ensuring Public Safety and Wildlife Protection

The current proposal from the council does not guarantee public safety or wildlife protection, as it allows anyone, experienced or not, to manage dogs. To address this, the Council should:

- Require professional companies with staff having less than two years of experience to commit to training by a recognized provider.
- Ensure that all handlers, regardless of their experience level, meet stringent prequalification standards.

8. Benefits of Enhanced Licensing and Prequalification

While these measures may seem like additional work for the Council, they will bring in extra income through prequalification and licensing fees. More importantly, they will ensure compliance and set a precedent for future regulation of the industry as needed.

In conclusion, I urge the Council to consider these recommendations to create a more effective and accountable system for dog handler licensing and management. This will not only enhance

[redacted]

public safety and wildlife protection but also ensure that only qualified professionals are entrusted with the care of dogs in our community.

Thank you for considering my submission.

Sincerely,

[redacted]

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4006

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum four dogs, with no more than two off-leash

Tell us why

I dont believe anyone is able to control 3 dogs off leash. I think it should be 2 maximum. I also dont think there should be more than 4 dogs on leash - it is confronting meeting a large group of dogs being walked especially for older/frail people and for young children.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4031

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I oppose the proposed limit of 6 dogs walked at any one time with a maximum of 3 off-leash.

I truly believe that rather than implementing a limit on the number of dogs that a person may walk in a council-controlled public place at one time, a licensing agreement for professionals should be developed with the Professional Dog Walkers Association in order to set standards and enforce best practice. It really surprises me that they weren't asked for their expertise when coming up with the policy and bylaw updates. They are experts in canine behaviour after all and could surely support the council in developing practical solutions to the issues that are currently occurring.

Professional dog walkers not only walk dogs, they also train and educate dog owners. The support, guidance and training I have received from our pack walker has made me a much better dog owner. Our dog adores his twice weekly pack walks - he has structured socialisation with other dogs, receives behaviour training and exercise. This is vital in ensuring he is healthy, happy and well-behaved.

Numerous dog walkers will be put out of business if these new rules are implemented - this will increase stress on families who may not be able to always meet their dogs' daily needs due to work, family, health, or other commitments. A well exercised dog is less likely to exhibit problem behaviours that could impact neighbours or public spaces. I'm sure you would likely see an increase in roaming dogs and excessive barking if limitations were put in place. I would absolutely hate to think that our dog would be at home alone for 6-8 hours per day if the implementation of these new rules were to go through. Due to the current financial climate our working lives have changed considerably in order to survive and we would be distraught if our dog were home alone for extended periods of time. Our current dog walker takes out packs of 10-15 dogs, is extremely experienced and truly cares for our boy and his wellbeing. He is so excited every time she turns up. She truly cares for the dogs in her pack whilst considering the environment and the public around her. She is utterly amazing and is highly experienced, having a range of qualifications. Please don't take her passion and livelihood away from her and so many other professional canine handlers that are benefiting dog owners throughout Auckland.

Licensing of these professionals to ensure high standards surely has to be the way to go but this really needs to be put together with the support of those that ultimately

understand what is required. Putting a limit on the number of dogs walked at any one time is not the answer.

I urge you to stop the implementation of these new rules and work together with those who truly understand what is required to support both dog owners and the wider community. Implementing these rules would be short sighted and I feel it would lead to more problems than we currently have.

The proposal is not fair and reasonable when taking into account the expertise and training of a large proportion of professional dog walkers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4153

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

We're an active family and enjoy spending time hiking and at the beach. We have a beloved Welsh Springer spaniel is she is very much a member of our family. The current restrictions on dog walking at many Auckland regional parks and beaches, already impacts our day to day life as there are so many places we simply can't go as leaving our dog at home for many hours is not an option. Any further restrictions puts additional strain on our ability to enjoy what Auckland has to offer. Changing the dog rules will only punish those who already abide by current expectations and won't change the behaviour of those that already ignore them. But it will negatively impact how local families with dogs can enjoy our parks and beaches. Dogs need to be able to have spaces to run off-leash and release energy. If they don't, it will just lead to increased behavioural issues and boredom which will likely manifest into increased barking and reactive dogs in our neighbourhoods.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I think the maximum number is slightly too low. I'd be happy with the maximum pack group size to be 8-10.

I absolutely do not support having some off lead and some on. This is dangerous. I've witnessed first hand someone struggle with an on lead dog while trying to get their off lead dog out of a fight. Would have been easier to manage if both were off lead.

If the council are providing off lead spaces for dogs they shouldn't dictate how many dogs in a single pack can be off lead. You can't know when you turn up if you'll be the only person there or with 10 other random off lead dogs. Unfair to say that someone turning up with a pack can't have the same rights as all the individuals. And would be awful for the on lead dogs to manage watching all the off lead dogs. This is just going to cause more problems.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

I don't know

Tell us why

How a dog is defined as menacing is to vague and cannot just be because of a breed.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Only if this is being initiated by the Māori owners and their wishes

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

It hasn’t been easy to understand what some of the clarifications are to provide any comments

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don't know

Tell us why

It's exactly the same. What is the need to spend money on this clarification.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I don't know

Tell us why

Prohibiting from the mountain bike tracks is fine but why the others? Seems like there is already a lack of places to walk dogs, I don't support any proposal to further limit this unless there's a conflict with the main purpose of the track

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Point 1 is fine. I do not want to limit the areas dogs can go as in point 2

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Shepherds Park, Beach Haven

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

There are frequently issues of dogs bothering runner and walkers. Also issues of dogs attacking other dogs. Dog poo is often found on the paths and the playing fields.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

I would like to see Shepherds Park become and on leash only area or that dogs can only be off leash at certain times. This park is a great area for people to exercise and I am frequently bothered by roaming dogs which jogging there.

Location 2:

What is the full name of the location where you want to change the dog access rules?

Eskdale Reserve

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control on a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationI frequently walk and run in Eskdale Reserve and am often bothered by off leash dogs who can sometimes be agressive and get in the way. Because of the bush they often run ahead and are out of sight of their owner. I think this should be an on leash area.**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

On leash only for reasons explained above.

Location 3:

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Generally I am keen to see tight and enforced controls on dog access and on an off leash. I would prefer that there are more off leash dog areas where the space is well known as predominantly for dog exercise, leaving other areas for the enjoyment for oth

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4251

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4255

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The majority of dog walkers at Kauri pt domain have their dogs under control and there are no problems. There is a small group of dog walkers who do not have proper control and are causing problems. These problems would not be solved by these new laws because these walkers need better training I feel the new laws would greatly harm some very good dog walking businessess and do nothing to control the problem group. A dog walking liscence requiring specific pack walking training would be more benificial.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Island Bay

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

as in any area, if the dog is on leash then they should be allowed to accompany the owner

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

There are many dogs enjoying this beach so the signs are largely ignored....but on leash would make the area enjoyable for evreryone.

Location 2:

What is the full name of the location where you want to change the dog access rules?

Milford Beach

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Change the current rule to allow dogs under control on a leash

Tell us why

Do you want the change to apply to the entire location or a section of it?

Entire location

What is the main reason you want to change the current dog access rule?

Entire locationa dog on a leash should be allowed with the owner at all times**Entire location**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

like any area, a controlled dog on a leash makes everyone feel safe and secure

Location 3:

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

Tell us why

Do you want the change to apply to the entire location or a section of it?

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4430

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

This is not addressing the problem . There are responsible dog walkers who have control (voice commands) of their dogs off lead regardless of the number of.

'. There are professional dedicated dog pack walkers who train the dogs they walk and they are always under “control” -either on lead or voice command . The dogs benefit from the free range exercise and interaction with other dogs . Responsible owners who cannot give their dogs adequate exercise and socialisation rely on these pack walkers to provide this .

These pack walkers need to be “tested “ for competence and compliance annually and have a licence issued . If they dont comply they lose their licence and pay a fine .

'I oppose the proposed limit on professional dog walkers.

These regulations address only 0.7% of dog-related complaints received by Auckland Council—complaints that include everyday pet owners, not just professional dog walkers. More significantly, they fail to tackle the real issues, which, according to the Council’s own data, are excessive barking and roaming dogs. A free desexing program or even mandatory desexing for non-registered breeders would be a far more effective way to address these problems at their root.

Professional dog walkers play a crucial role in preventing these very issues by providing dogs with mental, physical, and social stimulation. Limiting access to these services will only increase the behavioural problems the Council should be working to reduce.

[Insert your own experience about the benefits dog walking has brought to your life.]

Despite the impact on their industry, professional dog walkers were not consulted in this decision-making process, resulting in regulations that lack understanding of effective solutions.

I oppose the cap of six dogs per handler, with only three allowed off-leash at a time. Instead, I support smart, effective regulation—such as the licensing system proposed by the Professional Dog Walkers Association.

Licensing would establish industry standards, ensure accountability, cover the cost of handling complaints through registration fees and remove unqualified dog walkers by revoking licenses.

I urge Auckland Council to work with the Professional Dog Walkers Association to develop fair regulations that actually enhance dog welfare instead of creating more problems.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

There are FAR too many different rules - requiring people to check before they head out with their dogs to an area they dont usually frequent !! No wonder there’s confusion and non compliance !!

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Far too many variations to even consider !!

HAVE ONE SET OF RULES FOR REGIONAL PARKS, ONE FOR PARKS ONE FOR BEACHES ETC

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Too complicated to even try and understand all the variations !

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4487

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4523

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

No maximum set but maybe a register of dog walkers and a visible ID for people to call in if they are not handling dogs correctly. There are some amazing dog walkers and some that think they are. Having a register of dog walkers will very quickly weed this out, with a small fee and a submission of their rules to council it would cover the small associated beacrucy increase in association with the same area of dog registration

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

When simplifying, do not change the rules but make them easy and clear to understand. Auckland is not a one rule fits all,, this will just lead to the rules being changes yet again

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

There needs to a am absolute certainty of this so that Karen's can't attack good people etc. Actual evidence etc not just he said she said

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

An actual qualification or experience not just someone qualified by nature of being in the job

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

The complaints process cover this, a number should only be placed on a person if they are receiving complaints.

Clarify how dog access rules are set:

Support

Tell us why

Dont get in the way of people's right to enjoy private property. This is hands down not ok

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Clear signage and clear messaging. Not a blanket rule as it will just be ignored, not enforced and the rules will be changed again later.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

One place to go for all rules would be extremely beneficial

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Onewa beach

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:North end of the Beach

What is the main reason you want to change the current dog access rule?

There is a si gift can't amount of use by dog owners in this area and most family and beach play is done further south ,with such a huge stretch of beach there is plenty of room to cater for all types of beach goers

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

while a licence sounds like a good idea, there is no current authority to prove suitability of an individual, and so it would just be a revenue gathering tick in the box. I do not support stifling the businesses of those who work tirelessly in the canine industry, which is what this bylaw is attempting to achieve- destruction of small businesses.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

It is an unfair rule to ban dogs from public places, which are fantastic for recreation.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?
No change to current Policy (dog access) rules
Tell us why
The proposed changes are adding unnecessary restrictions

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
The proposed changes are adding unnecessary restrictions

Long Bay Regional Park
We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
What do you think of this proposed change?
I do not support the proposed change
Tell us why
The proposed changes are adding unnecessary restrictions

Mahurangi Regional Park
We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
What do you think of this proposed change?
Mahurangi Regional Park (West)
I do not support the proposed change
Mahurangi East
I do not support the proposed change
Mahurangi Scott Point
I do not support the proposed change
Tell us why
The proposed changes are adding unnecessary restrictions

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change

Tell us why
The proposed changes are adding unnecessary restrictions

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
The proposed changes are adding unnecessary restrictions

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
The proposed changes are adding unnecessary restrictions

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?
Other (please explain below)
Tell us why
I support the changes barring schedule 2.B.ii

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
it is sensible to add clarity

Te Ārai Regional Park
We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.
What do you think of this proposed change?
I do not support the proposed change

Tell us why

The proposed changes are adding unnecessary restrictions

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The proposed changes are adding unnecessary restrictions

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Too wordy, likely to confuse visitors, who will then ignore it

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

the changes do not assist anyone in understanding specific boundaries

I believe that dogs should be allowed to enjoy the regional parks as much as people, and provided their owners, or walkers take due care- there should not be these additional unnecessary restrictions placed on them. These proposed changes are for the most

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4616

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

The proposal should be stricter to a maximum of 3 dogs per person

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Dogs should not be allowed on tracks and parks areas

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Takapuna- Devonport

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

beaches are not a safe place for kids to play and dirty with poo and pee

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

hardly see kids playing anymore as been harassed by dogs or having dogs peeing and pooing on the beach is uncivilized

Location 2:

What is the full name of the location where you want to change the dog access rules?

Eskdale Reserve

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Change the current rule to prohibit dogs

Tell us why

Do you want the change to apply to the entire location or a section of it?

A section of it. Please specify:Tracks

What is the main reason you want to change the current dog access rule?

A section of it. Please specify:Dogs run free in the forest, harass walkers and runners, the track is always dirty with poo and plastic bags with poo are left everywhere**A section of it. Please specify:**

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

A reserve should be for native wildlife

Location 3:

What is the full name of the location where you want to change the dog access rules?

What local board area is this location in?

In general, how would you like dog access at this location to change?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

By limiting pack walking, the council isn't protecting public safety—it's creating a future where more dogs are poorly trained, reactive, and likely to escape or become a nuisance. If the goal is responsible dog ownership, why target those who are actually contributing to it?

The importance of pack walking goes beyond just the dogs—it's a vital service that greatly impacts both the community and the business of professional dog walkers. For many busy dog owners, pack walking is more than a convenience; it's an essential part of their dog's daily routine. Dogs require socialization, exercise, and training to live happy, healthy lives. For owners who lack the time, knowledge, or physical capacity to provide this, pack walkers are a lifeline.

Removing or restricting this service would not only affect dogs' well-being but also leave owners without a reliable option for addressing their pets' needs. The ripple effect could be significant: less well-socialized dogs could result in increased behaviour issues, leading to more complaints, higher rates of abandonment, or increased demand for other, less effective services.

Professional pack walkers are skilled at managing groups of dogs. They use structured training techniques, controlled environments, and consistent leadership to ensure that dogs remain well-behaved. These are not chaotic, uncontrolled packs running wild—they are carefully curated groups that build confidence, improve recall, and reinforce obedience.

A thoughtful, balanced approach to regulating pack walking—one that weeds out the cowboys but recognizes the value of skilled professionals and the needs of both dogs and owners—will help preserve this essential service for the community while ensuring that the dogs in care are safe and well looked after.But by advocating for structured certification and assessment processes, we can promote responsible dog handling practices, mitigate potential dangers, and foster a safer environment for both dogs and the community.

Auckland Council's proposed changes include restricting the number of dogs a professional can walk at one time. On the surface, this might seem like a safety measure,

but in reality, it undermines the very people who are preventing dog-related issues in our communities.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland already has a limited number of off-leash areas, and restricting these further will only exacerbate the problem. With fewer spaces for dogs to roam freely, owners will be forced into more crowded, often less suitable environments, undermining the very purpose of off-leash parks. The joy of seeing a dog run freely and interact with others in a safe environment is a shared experience that both owners and dogs cherish. Denying this opportunity through an increase in on-leash only areas erodes not just the health of our pets but the quality of life for Auckland's dog owners as well.

By reducing the availability of off-leash areas, we are not just impacting the dogs, but also the community. We are taking away a place where people can come together, interact, and enjoy a sense of community while watching their dogs play. This is a service that contributes to a well-rounded, active lifestyle and fosters positive social interactions among dog owners. It’s essential that the council takes this into account and ensures that off-leash areas are preserved, not restricted, for the benefit of both dogs and their owners.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Auckland already has a limited number of off-leash areas, and restricting these further will only exacerbate the problem. With fewer spaces for dogs to roam freely, owners will be forced into more crowded, often less suitable environments, undermining the

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4724

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I oppose the proposed limit of "6 dogs on lead and 3 off-leash" at any one time. The reasons for this are:

- Auckland has a serious issue with roaming dogs and Council should focus on this not multiple dog walker. This proposal penalises responsible dog owners and does nothing to stop irresponsible dog owners who don't follow the rules
- Because Auckland has a roaming dog, problem not a problem with responsible dog walkers
- It will not address any issues as none of these are caused by the number of dogs walkers
- It will stop professional dog walkers from operating and remove a vital support avenue to responsible dog owners who care for their dogs
- By limiting the number of dogs that can be walked by professional dog walkers, this will increase the cost of these services substantially, making it unaffordable for many dog owners who rely on this service, or this service will become financially unviable for businesses and will no longer be something that owners will be able to access. If this service becomes unavailable this will negatively affect owners that need their dogs to be taken out while they are at work, and not all other services such as daycares are suitable for every dog, this will lead to an increase in barking dog reports.

Alternative suggestions:

- Licencing professionals to walk larger groups
- Having different limits for the public versus professionals
- Enforcing the rule ‘dogs must be under control’ no matter the number of dogs which is already in place
- Providing more education and support to the public about what owning a pet actually entails and how they can access training and services to support them.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

I think common sense needs to be applied with what is the cost of changing signage etc vs what is the likely benefit.

Too often I see irrelevant council signs and it's clear no one has considered what is the cost vs. The benefit of putting this signage in place like "beware of tree roots" when walking in a forest.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

I do not want to see further restrictions placed on dog walking. I consider Auckland to be a lot less dog friendly than other places I have lived and travelled too. Already there are so many places where dog walking is restricted, I wouldn't want to see further restrictions placed on places that are special to many dog walkers.

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Clarity yes but please do not increase the restrictions on dog walking, we are some of the biggest users of our parks, beaches etc. already I find Auckland very restrictive for where you can walk your dog, please don't put more restrictions in place. Dog walking is healthy for humans and animals, gets people out and about and the ripple impact benefits our society (healthier people less health costs, better socialised animals less issues with animal control etc.).

3. Dog access rules at Regional Parks

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Yes, make the dogs on leash rules apply from 9am to 6pm.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4768

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?
Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks
Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:
Shakespear Regional Park,Wenderholm Regional Park

Ambury Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens
We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.
A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs should absolutely be prohibited from Parks such as Shakespear to protect wildlife.

I am aware go owners are feeling 'got at' but its also not appropriate to have dogs on busy beaches in mid-summer where there are lots of children.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs need to be prohibited from the beaches to protect wildlife.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

I don’t know

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

The proposed policy reducing the number of dogs walked at once down to 6 we have little comment on. For environmental protection the need is mostly around the restriction of off leash dogs in certain key ecological sites that is the key issue – which is partly addressed by the access rule changes, and also our requested improvements around stream habitat protection. Technically reducing the numbers will consequently to a degree also reduce the negative environmental impact. We are also in favour of the implementation of some sort of professional dog walker registry or licensing, as this would reduce the impacts of uncontrolled dogs from certain pack walkers. We would like to see this involve a measure of environmental knowledge or competency to reduce environmental damage.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

There is one need that has not been provided for in either the bylaw or the amended access rules, and this is more site or habitat specific rules. The entry of dogs to swim in forested streams is causing significant erosion, destabilization of banks and sedimentation of this kind of habitat. This is a regular bugbear of many volunteer groups who are working hard to protect stream fauna and flora. This level of detail isn’t likely to be able to be included in either of these two pieces of documentation and so we suggest this is a subject to address as part of your signage and educational component of dog rules. This could be a complementary project for the near future with the roll out of the eventually approved rules.

3. Dog access rules at Regional Parks

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Kauri Point Domain

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to new threats to the environment (e.g. kauri dieback or damage to stream banks). Please specify:

What is the main reason you want to change the current dog access rule?

There are NO kauri to protect from dieback. It's all pine trees

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Keep the current off-leash rule and disregard proposed changes.

We need off-leash spaces!

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I have a dog and enjoy taking her to the beach. I am a good dog owner and have her controlled and on leash

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

As above

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Good dog owners are responsible and take care of their dogs

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Good for owners are responsible

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#4993

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

As a certified dog trainer and lifetime dog owner I believe it is in the best interests of safety for the dogs, other dogs and users of parks to restrict numbers to a more manageable number

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

For pack walkers who are regularly at Muriwai and also at Riverhead , four off leash plus four on leash would seem a reasonable compromise. Even if licensed

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5230

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The proposed changes come from an extremely naive point of view, and is trying to make changes in Auckland without any prior consultation with relevant stakeholders. There is also no ‘data’ affirming that these changes would even result in positive outcomes - it’s just one councillors misinformed opinion on the matter.

The regulation update also does not have dogs best interest at heart.

My current situation is that I have a German Shepherd dog who goes on pack walks twice a week when I’m in the office. She is in a controlled environment with a dog walker who has multiple qualifications (Certificate in Canine Behaviour and Training through NDTF, and a Bachelor of Applied Science Majoring in Animal Management and Welfare.) We have used doggy daycares in the past, however pack walks are the only effective way to ensure that our dog gets exercise, socialisation, and proper training in a controlled environment. Without having this outlet, my dog would become more dangerous out in public as she would not have the skills to behave properly around other dogs.

Limiting the number of dogs would make pack walks unaffordable, and it would no longer be profitable for dog walkers - completely getting rid of an entire occupation in Auckland, and leaving many people unemployed.

Given Auckland council/ spca won’t even adopt dogs out if they’re kept home all day while people work, this regulation change would further put this out of reach for Aucklanders given dog walking won’t be a viable option - anyone who has an office job won’t be able to adopt.

The ‘data’ being referenced in the proposal is not public which isn’t giving Aucklanders any information as to why we should support this change. Given it’s also based solely on complaints, it’s riddled with confirmation bias - as of course only complaints are making its way through to council. Aucklanders aren’t emailing to praise existing regulations.

I strongly oppose the regulation change. This will only harm people who already follow the rules, which is that dogs must be kept under control at all times, and those that don’t follow this rule normally, will also not follow any additional guidelines put forth.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5233

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The problems surrounding dogs and 'pack' dog walking has no correlation to the number of dogs being walked. This suggestion is implying the causation of negative dog behaviour is poitively correlated to the number of dogs being pack walked together. In fact, many animal behaviour studies suggest the exact opposite (inadequate socialisation) is a root cause of agression, which leaves me highly concerned by the suggested approach by council. The most recent study by the Vetinary Ireland Journal on Canine Agression is here (https://openurl.ebsco.com/EPDB%3Agcd%3A7%3A5620551/detailv2?sid=ebsco%3Aplink%3Ascholar&id=ebsco%3Agcd%3A176643759&crl=c&link_origin=scholar.google.com) - and strongly supports the conclusion that pack walking of canines has a correlation to positive social behaviour

Every day our community pages are filled with the many issues surrounding individual pets and their interactions with the public ranging from agressive to nuisance behaviour, from dogs on the road, to cats attacking native birds.

A far more reasonable step to implement would be better guidance and support to ensure all pet owners are competent in the skills required to care for and train these highly intellectual animals. The dog walking community are (generally) some of the most highly trained animal behaviourists and are being unfairly targeted, when a far greater issue of animal welfare exists across the wider region.

I would strongly discourage any further limitations on the number of dogs being walked, and would suggest further reading into this highly studied area of research as there is strong evidence this proposal would cause significant harm.

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I believe there should be a limit of 10 dogs walked at a time and no limit to the amount off leash of those 10 dogs. However I would suggest a regulation on who can walk large numbers of dogs. There should be a license for professional dog walkers, they should be tested just the same as someone has to sit a test for their drivers license, so they have to prove their competence when handling large numbers of dogs. No one should be allowed to operate as a professional dog walkers, handling large numbers of dogs unless they have proven competence and can safely handle that many dogs and maintain control.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Other (please explain below)

Tell us why

I support the proposed changes EXCEPT for the change re dog access to Forestry beach. In Auckland there are far more beaches that exclude dogs than there are beaches that allow dogs. Te Arai beach (the main surf beach) is enormous and never over crowded e

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5290

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Auckland Botanic Gardens

What local board area is this location in?

Manurewa

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to new threats to the environment (e.g. kauri dieback or damage to stream banks). Please specify:

What is the main reason you want to change the current dog access rule?

Huge ecological damage to gardens and native areas which contradicts Council ecological restoration plan/policies

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

On leash only at Auckland Botanic Gardens to ensure no further ecological damage occurs in natural areas and around waterways.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

There is already limited beaches on this coast that allow dogs after 10am in the summer, the only current options being Long bay and St Leonard's.

St Leonard's is an okay option to go throw a ball and let your dog have a dip in the sea but it not a beach you can actually "walk" along.

If taking away Long bay it would be good to have another option added where you can actually walk your dog on the beach while on the lead. There are plenty of beaches along this coast would be nice if people can enjoy them with their dogs under control in the summer.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5316

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

No change to the number but set some rules as to who can take that amount of dogs and register the walkers - they should have a license.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5317

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Concern over inexperienced dog walkers control over multiple animals.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I don't believe banning dogs from beaches or parks is the correct way forward. I will begin by saying not all dogs and dog owners are irresponsible but like anything you will always find bad apples in the mix and those owners should be held accountable not the owners that spend hundreds/thousands of dollars and hours training there dogs. Instead of taking a basic and simplistic approach to ban dogs from areas. I would suggest taking two different actions.

1. Time restrictions as a lot of popular beaches have. Both parties win.

2. Hold bad dog owners accountable. Stop avoiding hard conversation and deal with the problem head on. Instead you want to hold all owners accountable for bad dog owners. Does this mean we need to bad all drivers because a hand full are reckless? No

This might result in additional work but ohh hey, you get paid for it so give us a return on our invest.

Happy to come in a talk further on the subject.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

As per before.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

As per before.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

As per before. These hours work.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

As per before. Why? Prove that this will make a change. Instead of following a one of your peers in Auckland council that selfishly what's to change the rules because they don't like dogs.

Once again enforce personal responsibility.

Muriwai Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I support the proposed change
Tell us why
Sweet

Pākiri Regional Park
We are proposing to prohibit dogs on the associated beach (currently off-leash).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
As per before. Waste of time.

Shakespear Regional Park
We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).
What do you think of this proposed change?
I support the proposed change
Tell us why
Good.

Tāpapakanga Regional Park
We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).
What do you think of this proposed change?
I don’t know
Tell us why
The old rules seem fine. Never heard of an issue.

Tāwharanui Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?
I do not support the proposed change
Tell us why
Seems like a waste of time.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waste of time.

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Seems good but 3c sounds like a waste of time.

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I don’t know

Tell us why

Don't take the easy way out.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5326

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

The dog walking industry needs regulation and standards - anyone can start a dog walking business but that doesn't make them professional. Right now, the highly trained and skilled handlers are being lumped in with the untrained... the focus should be on being up to a given standard and making it licensed to show you've achieved the necessary skill set rather than putting a random limit on the number of dogs being walked.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5331

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Do not support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

Do not support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Do not support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do not support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Mahurangi Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.
What do you think of this proposed change?
I do not support the proposed change

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

Very few people can manage that many dogs. It's just not practical.

I'd say 4 dogs with a licence. (Nothing to do with off leash, that's too hard to police anyway and an unfair restriction e.g. if you have pups that are small they want to play together. But 4 should be a hard limit.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

The council in general does not focus enough on the needs it readers when publishing things so this is welcome but long over due and there's a huge way to go.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Please ensure they take into account social media reported incidents of problem dogs in certain places.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Just the wording as before. It's unclear how it's currently structured as per other ones.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Ok but make it a bulleted list and always have it shown with a map.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Needs further clarity edits as before. Better structure.

Also lambing needs to be clearer as to implications.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Kendall's bay

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To reduce owner-related problems (e.g. owner ignoring rules, dogs not under control, dog faeces not picked up, etc). Please specify:

What is the main reason you want to change the current dog access rule?

Aggressive dogs are a problem at that beach.

Also the tracks are steep and narrow and there's no room at all for a dog on some of them. The steep steps path is especially dangerous for people if you pass a dog and get jostled by it, it's crazy steep.

Peo

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Aggressive dogs are a problem at that beach.

Also the tracks are steep and narrow and there's no room at all for a dog on some of them. The steep steps path is especially dangerous for people if you pass a dog and get jostled by it, it's crazy steep.

Peo

I forgot to add, I don't think dogs are allowed on the playing fields near Birkenhead leisure centre but they should be. However there should be a clause that they can't when there's a sports team using it of course.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

People can have 2-3 dogs but still have zero control eg: members of public with own dogs not just prod dog walkers. If I have 6 dogs 3 on lead 3 off this can cause bigger issues eg: when playing fetch & all dogs can not engage in the play therefor getting frustrated which could cause worse problems. As long as all 6 dog have great recall manners etc they should all be allowed off lead. Often it's members of the public's 1 dog that rushs my pack that causes issues. What about those people who have zero control over their personal dog? This is not fixing a much bigger problem, of dogs being under control off lead at all times.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5362

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

As long as this is per person I.E. a couple could walk 6 dog.

This should not be 3 dog in an area

There needs to be an exception for dog walkers

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Dogs need walks, on lead is acceptable to most other uses of the region

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

All beaches

What local board area is this location in?

Kaipātiki

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

More access to all out door area's

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs end up stuck at home and are not taken out enough, partly due to the lack of access to local parks and beaches

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5363

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I think one person is not enough to have proper oversight and control of more than 3-4 dogs at a time and support lower maxima.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Dogs are out of control especially menacing dogs attacking children and adults... menacing breeds should be banned... furthermore, the majority of dog owners appear to be irresponsible insofar as picking up dog ********** is concerned

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

I think this needs to go further to a ban on all menacing dog breeds as these pose undue risk of injury to adults and children

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Dogs are out of control especially menacing dogs attacking children and adults... menacing breeds should be banned... furthermore, the majority of dog owners appear to be irresponsible insofar as picking up dog ********** is concerned

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Dogs are out of control especially menacing dogs attacking children and adults... menacing breeds should be banned... furthermore, the majority of dog owners appear to be irresponsible insofar as picking up dog ********** is concerned

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs should not be allowed into regional parks as they ********** all over the place and pose risks of injury/attack

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Dogs should not be allowed into regional parks as they ********** all over the place and pose risks of injury/attack

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs should not be allowed into regional parks as they ********** all over the place and pose risks of injury/attack. If they are to be allowed, this should be on leash at ALL times... and no more than 1 per person.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I support the proposed change

Tell us why

Dogs should not be allowed into regional parks as they ********** all over the place and pose risks of injury/attack. If they are to be allowed, this should be on leash at ALL times... and no more than 1 per person.

Mahurangi Regional Park

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

Well behaved dogs should be allowed to enjoy these spaces

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5379

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

I don’t know

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

I don’t know

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

I support clarifying but not changing the rules.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

I support clarifying but not changing the rules.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don't know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don't know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

I don't know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I do not support adding further restrictions only clarification regarding existing where it will not remove access or insuinuate that dogs are a nuisance.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park,Muriwai Regional Park,Shakespear Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I don't know

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

There are hardly any walks available for dogs on any of the walks and tracks along the foreshore. What would be the harm in letting people exercise their dogs on lead, giving dogs and their owners valuable exercise. People don't use tracks for their own exercise if they have a dog. Why would they leave their dog at home while they walk?

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

For those responsible, well trained dog walkers this would be a massive change to the way they walk our dogs. My dog goes on a pack walk weekly with an experienced dog walker & the benefits are awesome, he is well socialized with her and totally trust her to manage more dogs than what you are proposing under new rules. Would rather see 'rules' around dog walkers ongoing training

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?
Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

North Shore beaches

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Beaches are a great source of physical activity and socialization for dogs, especially when off-leash. Most dog owners monitor their dogs and so this is discriminatory to inhibit having off leash areas.

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

6 dogs is a manageable number for professional walkers to keep control of. It also makes it a lot easier for them to keep track of their charges toileting in public parks. Too many of them are either not noticing, don't care or are too busy controlling the pack to pick up after the dogs in their care.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5450

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I believe there should be more focus on ensuring that dog walkers are registered and required to have a certain skill level to walk dogs. Not all dog walkers are irresponsible and this will have a huge impact on their businesses. We use a dog walker and she takes great care to ensure that the dogs are safe and under control at all times

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Do not support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Muriwai Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5451

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional dog walkers have control of their packs and have expertise in training dogs with recall. This proposed change will see dog walkers become redundant and working professionals will no longer be able to have their dogs walked while working full time

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Prohibiting dogs completely from 10 to 5 in summer will make it difficult foe families that travel from far and want to enjoy the day at the beach. Nowadays they can keep dogs on leash under control in that period and exercise their dogs before or after. Also, this might prevent Aucklanders from enjoying their beaches if they cannot leave their dogs alone at home

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I do not support the proposed change

Mahurangi East

I do not support the proposed change

Mahurangi Scott Point

I do not support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Prohibiting dogs completely from 10 to 5 in summer will make it difficult foe families that travel from far and want to enjoy the day at the beach. Nowadays they can keep dogs on leash under control in that period and exercise their dogs before or after.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

As no change in policy, just clarifying prohibition

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

No

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5462

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Professional dog walkers seem to have full control of their dogs. There are much more important things we should be trying to change, this is ridiculous

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Other (please explain below)

Tell us why

I think experienced dog handlers should have a different set of rules to dog owners/amateur walkers. Experienced dog handlers can recall and or have dogs on a leash where people who don't know dogs should be limited. Perhaps introducing a license to note the difference and those who do r get it are fined.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

I support the proposed change

Mahurangi East

I support the proposed change

Mahurangi Scott Point

I support the proposed change

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I support the proposed change

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I support the proposed change

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I support the proposed change

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I support the proposed change

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5518

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

I don’t know

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We use a pack walker to exercise our dog on a weekly basis. She is a qualified dog trainer and has qualifications in animal management and does a structured pack walk, with all dogs off leash and under control at all times. This provides valuable socialisation skills for the dogs in her pack and is an important part of my dog maintaining social etiquette and skills. I believe dog walkers should be able to maintain a no limit on the number of dogs they walk PROVIDED they are registered dog walkers with the relevant qualifications in animal management and behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

We fought hard to get some limited access years ago. It’s incredibly disappointing and frustrating that we are having this fight again. And why? Where is the data to support that these proposed changes will make any difference at all to rogue dogs? Use yo

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5585

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Keeping the number manageable is good for both the public and the dogs on the walk.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāwharanui Regional Park,Te Ārai Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I don't know why dogs are prohibited from so many tracks listed above.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is already sufficiently strict.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is already sufficiently strict.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is already sufficiently strict.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is already sufficiently strict.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The current policy is already sufficiently strict.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I don’t know

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I don’t know

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

I think the current dog access rules at Regional Parks are very strict. I hope some areas will be opened to dogs.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

One of my dogs was lucky enough to have twice-weekly pack walks with an experienced dog handler. At times I joined the group and was impressed by his control of the group, perhaps 6 in total and all off-lead. The dogs, too, responded to this group dynamic and were relaxed and happy.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

There is no compelling evidence that this is necessary.

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Not easily enforced.

Clarify how dog access rules are set:

Support

Tell us why

It is obvious that rules are followed only by the law-abiding. The vast majority of dog owners are considerate. The truant owners will never obey rules.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Do not support

Tell us why

See above.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Do not support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Not necessarily

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I think it would be difficult for a person to have adequate control of free-roaming dogs while having their other dogs on a leash. Also, don't think that the leashed dogs would be terribly happy with the situation.

I don't consider the number of dogs is actually a problem. It is the lack of control exercised by the dog owner/walker that is. Some owners walking a single dog have little or no control.

I think that anyone walking more than a certain number of dogs [maybe 2 or 3?], for example a professional dog-walker, should have to obtain a licence granted after appropriate training and that this is renewed annually. If these people are readily identifiable then members of the public have the means of reporting out-of-control behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5651

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Increasing number of unexperienced or unqualified people walking large packs of dogs at a time who do not have them under control. Dogs in packs tend to act aggressively towards dogs outside of their pack, which when off leash can be harmful to other dogs.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during

lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5656

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Auckland Botanic Gardens,Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I don’t know

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

Our dog goes on pack walks once a week, her walker is a trained professional with her own business. Her having to reduce the number of dogs in her pack walks would negatively effect her income which would mean either her rates go up to compensate or she ceases it all together which would be very dissapointing for all involved.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5690

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We use a pack walker to exercise our dog on a weekly basis. She is a qualified dog trainer and has qualifications in animal management and does a structured pack walk, with all dogs off leash and under control at all times. This provides valuable socialisation skills for the dogs in her pack and is an important part of my dog maintaining social etiquette and skills. I believe dog walkers should be able to maintain a no limit on the number of dogs they walk PROVIDED they are registered dog walkers with the relevant qualifications in animal management and behaviour.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5841

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This does not help solve the problem of dogs under control. Instead dog walkers should be licensed as the Auckland dog walkers association want to put in place. We use two highly qualified and able dog pack walkers who walk 5+ dogs and where appropriate have them off lead and in control. They have more control of our dog than we do. Setting this blanket rule would impact their business and service when they are able to manage their dogs. I don't care if dog owners have limits set but professional dog walkers should not be impacted. This also does not solve the issue of dogs not being under control as for most individuals even three dogs off lead is a lot to manage.. If this blanket rule is put in place it will potentially make dog walking costs rice by a large amount and make them unaffordable and then only rookie dog walkers will be in place with three out of control dogs off leash. You will then have dogs no longer having pack walks and then have more behavioural issues as they are not getting their needs met. We are a family with a toddler and the pack walks are so invaluable to us and juggling toddler and dog owner life. With a toddler we don't have lots of spare money so fees going up for dog walking will make it difficult for us and many others who use our brilliant dog walkers.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

I don’t know

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

Clarify how dog access rules are set:

I don’t know

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

I do not support any further restrictions. Dogs are a common family memeber and reducing areas that allows dog will only foster further behavior issues. In fact we should allow dogs in more spaces with proper rules in place to protect dogs and the public. Recognizing dogs aren't going anywhere

Clarify or correct errors in Policy Schedule 2: Dog access rules:

I don’t know

Tell us why

Would depend on the "errors". Simply proposing support for or against 'corrects' without stating what is going to be corrected is to vague and dose not mean anything

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

I don’t know

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

I do not support the proposed change

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I don’t know

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Auckland

What local board area is this location in?

I don't know

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:

What is the main reason you want to change the current dog access rule?

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5851

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

All dog walkers should be licensed. No one should just be able to walk dogs, especially multiple dogs and call themselves a dog walker if they are not licensed. To be licensed, they need to be trained properly and be able to handle and walk multiple dogs at a time. There are instances where adverse events have happened where non-licensed dog walkers walk multiple dogs. Such a blanket rule will affect those that are professional dog walkers that take their profession very seriously. So instead of proposing a limit to how many dog walkers can walk, please consider proposing a mandate to all dog walkers to have a license. That way, they are trained on how to dog walk, and if things go out of hand, it would be that specific dog walker that faces the penalties and not those that are innocent.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

I don't think dogs should be allowed off leash in these areas at any time. This is a family beach where children and running around and playing on the grass.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#5890

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park,Pākiri Regional Park,Wenderholm Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Do not support

Tell us why

While clarity is important, restructuring should not result in oversimplification or removal of details that impact responsible dog ownership. It's essential that the new structure remains comprehensive and accessible for all dog owners to understand their responsibilities.

Clarify rule that all dogs classified as menacing must be to neuter:

Do not support

Tell us why

Neutering menacing dogs is a reasonable measure for public safety; however, it's important that owners have a clear, fair appeals process if their dog is misclassified. Additionally, education and responsible ownership programs should be prioritized over blanket enforcement.

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Behavioural assessments should be conducted by qualified, independent canine behaviourists rather than only council-appointed assessors. This ensures fairness and prevents unnecessary menacing classifications based solely on breed rather than behaviour.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Do not support

Tell us why

It's important that licensing requirements don't become overly restrictive for responsible multi-dog owners. The process should be fair, accessible, and consider the individual circumstances of dog owners rather than imposing blanket limitations.

Clarify how dog access rules are set:

Support

Tell us why

Transparency in how dog access rules are determined is essential, but it's also important that dog owners have a clear voice in this process. Public consultation should be a standard part of any changes to ensure balanced and fair outcomes.

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

While clarity is welcome, any changes must take into account the practical needs of dog owners, particularly those who travel with dogs. Rules should be flexible and accommodate responsible dog ownership rather than impose unnecessary restrictions.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Correcting errors is a positive step, but any corrections should be reviewed with community input to ensure they accurately reflect on-the-ground realities for dog owners.

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Removing outdated information is practical, but any updates should ensure that no important access information is lost or changed without proper consultation with dog owners.

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don't know

Tell us why

Respecting cultural heritage is important, but updates to access rules should consider the long-standing use of these areas by responsible dog owners. Creating designated dog-friendly areas within these sites could be a fair compromise.

Remove outdated or duplicate bylaw content:

Do not support

Tell us why

Removing redundant content makes sense, but it's important that in doing so, no critical protections or allowances for responsible dog owners are inadvertently removed.

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

While clarity and updates to Auckland's dog policy are important, changes should not disadvantage responsible dog owners. Any rule adjustments must be transparent, fairly enforced, and based on evidence rather than assumptions. Consultation with the dog-owning community is essential to ensure balanced outcomes that protect public safety, wildlife, and responsible pet ownership. Policies should provide clear processes for appeals, fair licensing requirements, and flexibility for working and travelling dogs. Additionally, enforcement should focus on education rather than penalties, ensuring dog owners are supported rather than unfairly restricted.

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park,Auckland Botanic Gardens,Hunua Ranges Regional Park,Long Bay Regional Park,Mahurangi Regional Park,Muriwai Regional Park,Pākiri Regional Park,Shakespear Regional Park,Tāpapakanga Regional Park,Tāwharanui Regional Park,Te Ārai Regional

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

I do not support the proposed change

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current Policy (dog access) rules

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it’s important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it’s important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it’s important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it’s important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners. It’s also crucial that these off-leash areas are adequately maintained and clearly marked to preve

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it’s important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

While protecting wildlife is essential, it's important to ensure that sufficient dog-friendly areas remain available to accommodate the needs of dog owners.

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6106

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I don't think there should be a limit on numbers. I think a licensing system is a good idea if your wanting to walk more than 6 dogs. To have this license you need to have had training and complete a test each year to gain your license for following year. If someone has 7-8-10 dogs and have control of them they should be able to walk them in a public space if they pick up after their dog and there dog/s do not cause nuisance.

It is far too easy to adopt/purchase a dog without knowing how dogs function.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Support

Tell us why

All dogs adopted/purchased out to the public should be neutered except for breeders etc who will go through the appropriate channels to breed there dogs.

This is would mitigate and hopefully decrease the thousands of unwanted animals that flood the shelters each year. It would be the responsibility of the puppies owner to make sure the pups are neutered or booked to be neutered on purchase

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Support

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Since about 5 years ago when Covid there was a puppy boom of people wanting puppies while being stuck at home. This has created many problems that have arisen from puppies not being able to be adequately socialised and desensitised to during this time because everybody stayed home. These problems have not gone away and due to the rising prices and inflation it has left many people unable to provide for the dog/ animals they have. Due to these adding costs and big housing with gardens being potentially unaffordable these leaves a lot of families with not many places to let their dogs release energy in a healthy manner. Restricting access to more parks and reserves will narrow

down the amount of places people can take their dogs, dogs need space to exercise not all dogs want to be near others

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6216

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

I support the proposed change

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

Other (please explain below)

Tell us why

Kia ora - as a responsible dog owner we make sure our dog is provided for when we must be out of the house for work etc by utilizing a professional dog walker. This means the dog is happy & exercised & our nieghbours are not having to put up with bored at home dogs that may, left to their own devices, become barkers or develop other bad habits. It's important that the dog walkers are able to walk enough dogs, without endangering the dogs & public, to make a living. Our dog walker makes any new dogs pass a test prior to being included in pack walks. They take this job seriously. They are responsible for my dog. I would not send her out with them if they were Cowboys. I have no problem if professional dog walkers had to be licensed & I believe any existing professional would also be ok with this. Don't make things harder for responsible dog owners that are trying to do the right thing for all our neighbours & or dogs. Thank you.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I as a dog owner I use a professional dog walking company. I have never had any issues or reports about this company having had issues with walking multiple amounts of dogs. All of the staff are screened and trained by the business owner to ensure the safety and wellbeing of the staff, dogs and people around them.

Having the companies or staff licensed or trained would be better than limiting the numbers they can walk.

These companies would be forced to limit their incomes by reducing their numbers or forced to close or raise their prices to employ more staff. This in turn could force some of their customers who couldn't afford their services to leave their dogs at home. This in turn would lead to more complaints from neighbours about noisey dogs during the day.

Most people use these walking services for lots of different reasons but also for the health and wellbeing of their dogs as responsible dog owners.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There does not appear to be any evidence-based justification or reasoning for the proposed rule change. It is not clear how the proposed change will meaningfully address Aucklander's concerns about dogs, or improve the wellbeing outcomes for our cities' dogs, their families, or other members of the public.

My own experience meeting pack walkers and large groups of dogs has consistently been positive. They have always taken care to keep their dogs under control and out of anyone's way. Unlike the 6+ individual off- and on-leash dogs I saw at Point Chevalier beach today, during hours where dogs shouldn't be on the beach at all.

The proposed change will certainly have far-reaching negative impacts for many dogs, dog-owning families, and members of the public. The proposed change will do nothing to deter people who already flout the rules. Instead it will have a greatly unfair and disproportionate impact for professional dog walkers and dog owners who depend on their services and support.

Professional dog walkers (such as Cassie and Hayden of Travelling Trainers and The Dog Squad) provide invaluable socialisation and exercise opportunities to hundreds, if not thousands of dogs whose owners would otherwise struggle to meet their dogs' needs. The proposed change would not only make their careers no longer feasible and destroy livelihoods overnight, but Aucklanders would all suffer from the loss of pack walking services. The proposed change will most likely result in an increase in dogs with behavioural issues and dog attacks, not to mention the profound mental distress (and dog surrenders/euthanasia) for the many owners and their families who then have to deal with difficult dogs on their own.

I would like to add that if there is some idea in the proposed change that suggests pack walkers be sequestered exclusively to locations such as Riverhead, dogs will lose out on valuable socialisation and confidence-building in public spaces. It's unfair to then expect dogs to behave well in these spaces when they are denied positive experiences in them.

I suggest Auckland Council work with recognised industry and community leaders such as Cassie Cocurullo and others in the Professional Dog Walkers Association (pwda.co.nz) to develop fit-for-purpose policy in this space. I'm sure Cassie and others in the industry are eager to have more in depth conversations about introducing some form of regulation for

the industry in Auckland, and would have suitable alternative ideas so that the public can be assured that packs handled by professionals should not be a cause for concern.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long Bay is one of the very few beaches on the North Shore that dogs are allowed on during the day in summer. The only other two I am aware of are Kennedy park beach (which is currently inaccessible) and St. Leonards beach. Dog owners need access to

beaches so they can provide exercise where dogs can cool off in the water and reduce risks of overheating. There are already too few beaches for dogs to access safely. Myself and other dogs owner friends are already deeply saddened by this, as the high concentration of dogs at places like St Leonards makes it feel unsafe for us to use. So we drive to beaches like Long Bay where there is a better balance of people and dogs.

It is not clear how further restricting dog access to public spaces is the solution to people's concerns about dogs and irresponsible owners. It only penalises responsible dog owners and their dogs.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

This proposed new rule unfairly disadvantages responsible trained professional dog-walkers. I've seen a lot of them providing great services for our city-dwelling dogs & their owners. To assume that 1 professional walker can't handle more than 6 dogs is going to make the service prohibitively expensive. Please change the proposal to allow well regulated walking services to still operate, & focus your attention on the genuinely uncontrolled dogs that are not responsibly taken care of!

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Yes! I've tried to look up regulations before to ensure I knew where & when I could legally walk my friend's dog, & the rules were very confusing because they were not easy to find or understand.

Clarify rule that all dogs classified as menacing must be to neuter:

I don’t know

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Support

Tell us why

I support clarification, because the public has a right to know what is going on.

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Support

Tell us why

Clarify how dog access rules are set:

Support

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Support

Tell us why

It's important to spell out the rules & have them easily accessible.

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Support

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Support

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

I don’t know

Tell us why

Remove outdated or duplicate bylaw content:

Support

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

Overall, I want clarification, so that is something I support. Banning legitimate & responsible trained dog-walkers from doing their group walking is ridiculous though, & is a massive overreach. The council's dog regulations should prioritize the genuine problems, such as uncontrolled dogs & irresponsible owners, not penalize the responsible dog owners & carers for no good reason, as the current proposed changes would do!

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-

leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6293

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

There are existing walkers and companies that regularly walk groups of dogs off leash under control without issues. In general there have been very few issues were the dogs are properly managed and the people walking the dogs are knowledgeable/well trained. It would be better to have some sort of licensing system in place so that existing business can continue to operate as they are but people who do not meet the required standards can have their license revoked

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

3. Dog access rules at Regional Parks
Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:
Long Bay Regional Park,Shakespear Regional Park

Ambury Regional Park
We are proposing to clarify the current rules (no change to dog access).
What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens
We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.
A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park
We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).
What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

We love walking with our dog

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

We love summer and doing things as a family. Our dog is family

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Takapuna

What local board area is this location in?

Devonport-Takapuna

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

Other - please specify:

What is the main reason you want to change the current dog access rule?

Allow full access to beach on leash at all time

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Dogs are family

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6376

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Maximum eight dogs, with no more than four off-leash

Tell us why

I support a limit on the number of dogs being walked at a time, but feel a total of six is too low.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Hunua Ranges Regional Park,Long Bay Regional Park,Muriwai Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

I do not support the proposed change

Tell us why

The hunua is large beautiful piece of bush that i love to walk my dog in, being that she is already on lead she can not harm any wildlife.

Instead of prohibiting completely why not make muzzles compulsory, to please both sides

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Long bay is the only beach on the north shore that i can take my dog for a swim during the middle of the day. If you want to change this beach, why not change the rules for another less busy beach to allow dogs on lead during the day in summer

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Are there any dog access rules at other Regional Parks and associated beaches in Auckland that you think council should change?

Your feedback on this section will inform any future review of dog access rules. A future review has not been scheduled at this

Location 1:

What is the full name of the location where you want to change the dog access rules?

Long bay

What local board area is this location in?

Rodney

In general, how would you like dog access at this location to change?

Tell us why

Do you want the change to apply to the entire location or a section of it?

To respond to opportunities for greater dog access without impacting other users (e.g. an area to take a dog under control off a leash). Please specify:Beach area

What is the main reason you want to change the current dog access rule?

Make it off lead monday - friday excluding public holidays and school holidays.

Hardly anyone uses the beach in the middle of the day at these times

Please explain your issue in more detail:

Please explain why you want to change the dog access rule at this location, and provide any additional information or evidence

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

1. One-Size-Fits-All Limits Ignore Handler Skill

Highly skilled professionals can safely manage more than six dogs. A blanket restriction fails to recognize individual expertise and penalizes those who have spent years developing their craft.

2. Forcing Leashes in a Pack Disrupts Control

Requiring three dogs to be leashed while three remain off creates an unpredictable dynamic, increasing the risk of tension, entanglement, and loss of control—especially if an off-leash public dog approaches.

3. Pack Walks Provide Stability and Socialization

Dogs thrive in structured pack walks led by experienced handlers. Arbitrary limits could reduce availability, leaving dogs without essential exercise, training, and social interaction.

4. Evidence Doesn’t Support the Restriction

Only 0.7% of complaints to animal control last year were about professional pack walkers, while over 52% were about roaming dogs. The real issue isn’t trained handlers—it’s irresponsible ownership.

5. Regulation Should Focus on Quality, Not Arbitrary Numbers

Instead of blanket restrictions, the council should implement a licensing system based on individual assessment, ensuring only qualified handlers manage larger packs. This approach enhances safety without punishing skilled professionals.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Support

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

I do not support the proposed change

Tell us why

Why make the only actually off leash beach not avaible to dogs? there is soooo many other beaches extremely close by that can be utilized by humans

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6453

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

1. One-Size-Fits-All Limits Ignore Handler Skill

Highly skilled professionals can safely manage more than six dogs. A blanket restriction fails to recognize individual expertise and penalizes those who have spent years developing their craft.

2. Forcing Leashes in a Pack Disrupts Control

Requiring three dogs to be leashed while three remain off creates an unpredictable dynamic, increasing the risk of tension, entanglement, and loss of control—especially if an off-leash public dog approaches.

3. Pack Walks Provide Stability and Socialization

Dogs thrive in structured pack walks led by experienced handlers. Arbitrary limits could reduce availability, leaving dogs without essential exercise, training, and social interaction.

4. Evidence Doesn’t Support the Restriction

Only 0.7% of complaints to animal control last year were about professional pack walkers, while over 52% were about roaming dogs. The real issue isn’t trained handlers—it’s irresponsible ownership.

5. Regulation Should Focus on Quality, Not Arbitrary Numbers

Instead of blanket restrictions, the council should implement a licensing system based on individual assessment, ensuring only qualified handlers manage larger packs. This approach enhances safety without punishing skilled professionals.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

The people walking as many as four or more dogs are primarily professional dog walkers. Barring on unfortunate incident that made the news, limiting the number of dogs one walker may have on or off leash is unfairly targeting individuals who 1.) are less likely to cause dog related incidents and 2.) contributing positively by teaching dogs of all breeds how to socialise in a sensible and positive way.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6560

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

We have been paying for dog walking for our dog for 3 years with a dog walker. Have never once felt they don't have control and it's good socialization for our dog.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I suggest a maximum of eight dogs with no on leash/off leash restrictions. Having a set number of dogs on a leash and the rest off leash will not help with control. In fact having ALL dogs off leash is better. New dogs in a group will follow those under voice control and will learn recall by example. Having two dogs, for example, on a leash while the other dogs free range will mean the leashed dogs strain and pull to join the other dogs. That's more distracting to a dog walker. Having all dogs doing the same thing is safer and better.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6585

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

It just doesn't make much sense to me why the limit of 6. In the data provided, multi-dog issues were a small number of a much bigger problems. Data wasn't granular enough to specify if professional dog walkers were a problem, or the size of packs that were a problem (if at all).

Feels like a rushed change, would prefer more due dilligence was done to understand the issue and the alternative solutions (like licensing).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

There are so many responsible owners and dog walkers out there that will pay the price for a few people's negligence. One dog with one owner can do just as much damage. My dog has been attacked, chased and bailed up multiple times by a one-owner-with-one-dog. The current law is that all dogs must be under control at all times. If this was enforced, then we wouldn't need to be creating more laws. These new laws aren't going to fix the problem of negligent dog owners that already aren't following the laws regarding having their dog under control, following leash laws and all the rest. I know many people with reactive dogs that can hardly leave the house because of all the people who have their dogs off lead in areas strictly on lead.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6793

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

I support:

- Limiting the number of dogs per handler for public safety, perception, and accessibility. Many people avoid or backtrack to stay away from large groups of dogs and walkers.

Preferred approach:

- maximum of four dogs per handler

- All four dogs allowed off-leash in designated off-leash areas. Mixing on and off leash dogs within a group increases frustration and the risk of negative interactions, especially as many owners allow their off-leash dogs to approach leashed dogs

Licensing system (Option 2D) – Supported with conditions:

- available for handlers wanting to walk more than four dogs

- includes appropriate theory, practical, and character assessments that follow modern practices (positive engagement and reinforcing desirable behaviour)

- aligns with the Code of Welfare (no use of shock/e-collars is appropriate for dogs walked in a public group)

- Numbers should still be restricted (6–8 dogs) and subject to location and time restrictions for the same reasons mentioned above, and to prevent degradation of bush tracks due to overuse.

Additional comments on licensing:

- Do not support breed restrictions (BSL).

- Restrictions on specific dogs, should be based on behaviour and management. Aggressive or reactive dogs are not suitable for large groups and should not be permitted (a clear and fair definition of these terms would be required).

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Long Bay Regional Park

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Other (please explain below)

Tell us why

Support proposed time and season rule changes at Long Bay, as provides fair balance between access for dog owners and ensuring the beach remains enjoyable and safe for all during peak times.

I'm disappointed dog owners lost access to the walking track north of Long Bay sometime ago, even outside of season restrictions. I would like to see reconsideration of this decision, as it provided a valuable walking option for dog owners while minimising impact on the main beach area.

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.

What do you think of this proposed change?

Mahurangi Regional Park (West)

Mahurangi East

Mahurangi Scott Point

Tell us why

Muriwai Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Pākiri Regional Park

We are proposing to prohibit dogs on the associated beach (currently off-leash).

What do you think of this proposed change?

Tell us why

Shakespear Regional Park

We are proposing to apply an on-leash time and season rule to the open grass areas between Army Bay and Okoramai Bay (currently off-leash) and clarify rules in other areas (such as boundary of Army Bay and Okoramai Bay beaches, on-leash tracks and prohibited areas).

What do you think of this proposed change?

Tell us why

Tāpapakanga Regional Park

We are proposing to provide off-leash access on the beach and on-leash access on areas between the beach and car park at any time (currently prohibited during lambing season) and clarify rules in other areas (such as prohibited at camping areas and bach, and during lambing).

What do you think of this proposed change?

Tell us why

Tāwharanui Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Te Ārai Regional Park

We are proposing to prohibit dogs on Forestry Beach (Te Ārai Beach South to Pākiri Beach) and associated coastal tracks and to clarify access to off-leash area at the disused quarry.

What do you think of this proposed change?

Tell us why

Waitawa Regional Park

We are proposing to change the eastern part of Mataitai Beach from off-leash to on-leash (western part of beach to remain off-leash), change Waitawa Beach from off-leash to on-leash, prohibit dogs on single use mountain bike tracks and clarify other areas where dogs are prohibited (such as farm paddocks during lambing season, campground and bach).

What do you think of this proposed change?

Tell us why

Wenderholm Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Whakanewha Regional Park

We are proposing to provide on-leash access on tracks from Omiha (Rocky Bay) to the on-leash area of the Park.

What do you think of this proposed change?

Tell us why

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#6796

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Other (please explain below)

Tell us why

I agree with the fact that there are many “cowboy” and random pack dog walkers in communities who are untrained and not professionals. The amount of people I see online and on local online community pages advertising their dog walking/adventure services to local dog owners is many, who claim to have ‘experience” with dogs by just being a dog owner. I don’t trust these. However, for our two dogs, we pay (a lot) for them to attend highly professional, professionally/qualified trained and industry respected dog adventures run by established companies whose staff are qualified dog trainers or handlers. They take them out with with other dogs as part of a pack with multiple handlers where they thoroughly enjoy spending time with other dogs and adventuring off lead for a few hours in forests/bushes, private land, dog parks, beaches etc in a highly controlled manner and undertake training with the dogs too while in their care. This is INCREDIBLY invaluable for our dogs and for ourselves as a means of doggie daycare, mental stimulation and physical activity for the dogs but most importantly the constant and consistent training they do with the pups each adventure/outing. I can’t speak more highly of this type of service for dog owners and pets alike and it would be devastating to see these professional and dedicated companies be affected for no reason. Limit/restrict the cowboy companies or better still develop and introduce a registry/license for professional and qualified dog walking companies whi meet certain set standards who are able to continue to practice to very high standards through the service they provide. This would make more sense rather than a blanket rule for all dog group dog walkers, ruining an extremely good and useful thing.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

Do not support

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

No change to current rules (no limit on the number of dogs and all dogs must be under control at all times)

Tell us why

I do not support the proposed limit on walking multiple dogs.

The proposed limit will only penalise responsible dog owners and will not stop irresponsible people who do not follow existing laws.

Auckland has a serious issue with roaming dogs and Council should focus on this not multiple dog walkers who make up a tiny amount of reported issues.

I support a license being developed to regulate professional dog walkers as they have the skills to handle multiple dogs and provide a valuable service to me and the community.

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Proposed updates to the council's dog policy and bylaw and regional park dog access rules

#7148

Note: this version of the feedback form has been created for the purpose of publishing submissions. As such, name, contact and demographic information has been removed and handwritten submissions have been transcribed.

Submitter details:

Organisation (if applicable):

Local Board: Kaipātiki

Your feedback (all questions are optional)

The public feedback form was separated into four sections:

1. Walking multiple dogs
2. General policy and bylaw matters (for example clarifying existing rules and reformatting to make the documents more user-friendly)
3. Changes to dog access rules at Regional Parks
4. Changes to dog access rules at local parks and beaches.

This submission only contains submission content for sections 1-3 (regional elements).

1. Walking multiple dogs

We are proposing to set a limit on the number of dogs that a person may walk in a council-controlled public place at one time. The proposed number of dogs a person has in their possession in a council-controlled public place must not exceed the following limits:

Maximum number of dogs (both on-leash or off-leash): 6

Maximum number of on-leash dogs: 6

Maximum number of off-leash dogs: 3

1A. What do you think of this proposed change?

1B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

2. General policy and bylaw matters

To improve our approach to dog management and the bylaw rules, we are proposing to reorganise, simplify and clarify the policy and bylaw content.

What do you think of the following proposed changes?

Restructure the policy to more clearly show its goal, focus areas, council actions, and rules:

Tell us why

Clarify rule that all dogs classified as menacing must be to neuter:

Tell us why

Clarify who can provide behavioural assessments in relation to menacing dog classifications:

Tell us why

Clarify what areas in Auckland require a licence to keep multiple dogs on a property:

Tell us why

Clarify how dog access rules are set:

Tell us why

Clarify Auckland-wide dog access rules (for example, rules at council carparks and camping grounds, for working dogs, dogs in vehicles and private ways):

Tell us why

Clarify or correct errors in Policy Schedule 2: Dog access rules:

Tell us why

Remove outdated information in Policy Schedule 2: Dog access rules (for example, outdated landmarks):

Tell us why

Update dog access rules for Tūpuna Maunga (ancestral mountains):

Tell us why

Remove outdated or duplicate bylaw content:

Tell us why

Do you have comments on any of the above proposed changes?

Do you have any further comments on the proposed policy and bylaw changes?

3. Dog access rules at Regional Parks

Submitters were able to select from the following list to provide feedback on any of the 14 Regional Parks we are proposing to amend or clarify the dog access rules:

Ambury Regional Park

We are proposing to clarify the current rules (no change to dog access).

What do you think of this proposed change?

Tell us why

Auckland Botanic Gardens

We are proposing to change the off-leash rule at the Auckland Botanic Gardens and to prohibit dogs from all waterways and busy community areas.

A. What do you think of this proposed change?

B. If you do not support the proposed change, would you support one of the alternative options presented to decision-makers in December 2024?

Tell us why

Hunua Ranges Regional Park

We are proposing to prohibit dogs from tracks and roads that connect to the Kohukohunui track, the Kokako Management Area and Piggott's Habitat and from single-use mountain bike tracks (currently on-leash).

What do you think of this proposed change?

Tell us why

Long Bay Regional Park

We are proposing to amend the summer daytime rule for the beach south of Vaughan Stream from on-leash to prohibited and clarify rules in other areas, including access to beach from southernmost carpark and prohibited tracks and bays.

What do you think of this proposed change?

Tell us why

Mahurangi Regional Park

We are proposing to prohibit dogs on Culdip Point Loop Track (currently on-leash), allow dogs on-leash at all times at Scott Point (currently on-leash time and season) and clarify rules in other areas (including dogs prohibited at Mahurangi Regional Park (East) and heritage grounds at Scott Point.
