

Proposed Skatepark at Woodall Skatepark

Feedback must be received by 8 November 2024.

We are proposing to build a skate park in Woodall Park in Narrowneck, as the current Ngataringa Skatepark location is unsuitable due to drainage issues and contaminated soil. Woodall Park was chosen for its proximity to the Ngataringa site, existing facilities like a playground and BMX pump track, and available green space. The design will ensure that current park activities, such as volleyball and netball, can continue, while the skate park's surface and existing trees will help minimise noise.

We want your feedback on the proposed skate park, including whether you support the location, how you currently use Woodall Park, and which skate activities you'd like to see included.

We strongly encourage you to read the proposed approach and accompanying information before answering any of the following questions.

You can give feedback online at [akhaveyoursay.nz](https://www.aucklandcouncil.govt.nz/akhaveyoursay) or you can:
