

Play and sports courts at Te Kori Scott Point

Feedback must be received by 14 October 2026.

The Upper Harbour Local Board has provided funding for the next stage of development at [Te Kori Scott Point](#), Squadron Drive, Hobsonville. We want to develop new recreation facilities that could include:

- a play space
- a multi-use paved plaza area (suitable for skate or pump track equipment)
- outdoor hard courts for sports
- wheeled play facilities.

Your feedback will help the Upper Harbour Local Board decide which play or court facilities to develop first. It will also help us plan the next stage of investment at Te Kori Scott Point.

Once priorities are confirmed, we may ask the community for feedback on the design of these facilities.

We want your feedback on:

- types of play, court and wheeled recreation facilities that are most important to you
- what order should we deliver these facilities in.

We encourage you to give feedback online at akhaveyoursay.nz or you can:
